1982 Baylor Football Outlook

Mark Kirchner and Mike Lively clear the way for Alfred Anderson.

Baylor's head football coach Grant Teaff has always enjoyed a good battle. In fact, he's always done his best coaching job with his back to the wall. It seems he just loves a challenge.

And with that being the case, he ought to enjoy thinking about the 1982 season coming up. It will provide him with the foremost of challenges. Bring the Bears back to their 1980 Southwest Conference championship form. That's the task at hand. The gauntlet has been thrown down, by Coach Teaff himself, and the battle is about to begin.

But this time around, Teaff will have a whole lot of help, to the tune of 38 lettermen who will be returning. And included in those lettermen are 16 starters off of last year's team plus both kickers. So the chief will have some warriors to go into battle with him. But how much progress can a 5-6 team of one year ago make to the next?

"In our case, we should be vastly improved," says Teaff, who is entering his 11th season as the Baylor head coach. "My gut feeling about this football team is it is going to surprise some people. We are capable of winning and going to a bowl game, and if things were to fall right, of going to the Cotton Bowl."

Defense was one big factor the Bears won the conference title two years ago and will have to be again if they go this season. Of the 16 starters returning from last year's team, eight were on defense and heading that group is potential first-team all-American end Charles Benson. He is, according to Coach Teaff, "the finest defensive end in the league and maybe in the country. He just has tremendous talent and size and he is going to make a very big contribution to our program this season."

He will anchor a defensive line which also returns starters Paul Mergenhagen (tackle) and Travis Selph (end). Both gained valuable experience as starters a year ago and should be vastly improved this season. However, Mergenhagen's job is not 100 per cent secure. The biggest experiment of the spring was supposed to be the moving of all-SWC offensive tackle

Bobby Glass to defensive tackle. But an off-season injury prevented the senior from participating in spring drills although he is still ticketed for a good look-see in the fall at that position. If he produces like the coaches think he can, he will give Mergenhagen a battle for the top spot.

The other tackle spot is up for grabs at this time. At the conclusion of spring workouts, sophomore redshirt Pat Coryatt and junior Gregg Bomkamp were tied for the top spot. Their battle will continue through two-a-days, which begin for the varsity on August 16.

All three starting linebackers return from a year ago, but as is the case with Mergenhagen in the line, just because they were starters a year ago doesn't mean they'll automatically start again. That's particularly true of strongside 'backer Keith Walters. He started every game a year ago but sophomore Ervin Randle made tremendous strides in spring practice and moved ahead of him in the depth chart.

"Ervin is just learning how to play major college linebacker," says Teaff. "He wants to be one of the best linebackers in the league and I think he can. He has all-SWC potential."

The weakside linebacker position is also a real dogfight. Sophomores Steve Malpass and John Breit are waging battle there. Malpass was injured in the first game of last season and missed the entire year, thus gaining a hardship ruling. Breit filled in for him after that and performed very well for a freshman. But this spring Malpass returned to full speed and gave Breit a run for the starter's berth. In the end it was still Breit on top although Malpass made great strides the last couple of weeks. They too, will continue their battle this fall for the number one spot.

Only at middle linebacker, where senior Geff Gandy returns, does it appear a starting position is locked up. The San Antonio native proved to be a durable and reliable middle 'backer a year ago and will be the plug in the center for the Baylor defense. He will be backed up by sophomore Alan Jamison.

In the secondary, depth is a critical problem as only four experienced players return and one, free safety Vic Vines, will be playing his third position in four years. He started a year

Linebacker Geff Gandy, with help from his friends, stacks up the opposition's runner.

ago at the left cornerback position but was moved to free safety in the spring to fill the void left by all-American Vann McElroy's graduation. The starting cornerbacks will come from the other three returning lettermen who are Bo Scott Metcalf, Cedric Mack and Preston Davis. Metcalf had the best spring practice of any Bruin defender while Mack, a starter for the past two years, missed spring workouts because of playing for the Baylor baseball team. Davis will be a junior and if he doesn't start ahead of one of the two aforementioned seniors he'll be more than a capable replacement.

The strong safety position is the question mark of the secondary. Last year's starter Scott Smith is gone along with his backup Johnny Subia, leaving that position void of experience. Junior walkon Clark Hood is the projected starter however Allen Rice, a standout this spring at quarterback after transferring in from Ranger Junior College, is highly coveted by the defensive coaches and might be moved there in the fall. If so, he would definitely contend for a starting strong safety berth. Also, freshman Jack Hurd from Marshall is being considered in the secondary plans for next fall. Depth is a critical question mark for the 1982 Baylor football team and it will have to be answered successfully if the Bears are to win big.

Offensively, just as many starters return as does on defense although the Bears won't be as deep as there are 17 total lettermen returning as compared with 21 on defense. However, talent runs rampant on offense, enough so that the Bruins could return to their record breaking days of 1980. But first, replacements will have to be found for the entire starting backfield.

One position seems to be solved, however. Wingback Alfred Anderson will replace Walter Abercrombie at the left cornerback spot. A multi-talented athlete, Anderson is also capable of playing quarterback but decided he could help the team more at halfback and volunteered for the move this past spring. Coach Teaff feels the move will pay rich dividends, perhaps even a 1,000-yard season for the Waco junior.

"Alfred has tremendous potential," says Teaff. "He possesses the same characteristics for success that all good backs have. He is a tireless worker, his attitude is outstanding and his mental and physical toughness is great. I think he can be a very outstanding back in the Southwest Conference."

The other halfback position will come from either Fred Hall, a senior or Robert Williams, a sophomore who reminds quite a few folks of a younger Abercrombie. They ended in a tie for the top spot at the conclusion of spring drills and will continue their battle in the fall. Depth could be a problem at both halfback positions as the backups have little or no playing experience at all.

Such is not the case a quarterback, fortunately. With all-conference selection Jay Jeffrey departed, it has left the position in the hands of seniors Mike Brannan and David Mangrum. Both have ample experience in running the Bears' veer offense. Mangrum has played in each of the last two years in reserve roles while Brannan saw extensive duty his freshman year and was the backup to Jeffrey the last two years. Brannan ended spring drills as the number one signal caller and more than likely will be the starter on September 4 when the Bears host North Texas State. However, watch out for Mangrum. He's got the strongest arm of the two and will be used in passing situations. A shoulder injury hampered his practice time this past spring.

Three other names to keep an eye on in the quarterback picture are Allen Rice, Cody Carlson and Tom Muecke. Rice is the juco transfer who made such a big hit in spring practice. Coaches like his ball handling and running talents and say he's a pretty fair passer also. He's the kind that makes things happen when he gets in. But as mentioned earlier, he's a tremendous athlete and he might be moved to strong safety where he would contend immediately for a starting berth. Carlson and Muecke are two talented freshmen. They were the cream of the recruiting crop and either or both could creep into the qb situation before the season's over.

Who those quarterbacks throw to is not too much of a question. Split end Gerald McNeil will be back as a starter, just as he was a year ago when he won all-SWC honors at the slot. He was second in the league in pass receptions and he will definitely be a key to the Bears' offensive fortunes.

The wingback position, vacated by Anderson's move to halfback, will be filled by either speedy Bruce Davis or talented sophomore Horace Ates. They ended the spring in a draw for

Grant Teaff, now in his 11th season with Baylor, faces a big challenge this year.

the top spot, however, Davis missed most of the workouts due to his track participation. He could gain the inside track once he resumes full-time practice in football. Ates, however, had a great spring and will be hard to move out.

The offensive line will not only be the strongest area of the offense, it is probably the strength of the entire team. Talent, experience and depth are the words associated with the line. Every starter from a year ago is back, except for Bobby Glass who was moved to defense. However his spot will be filled by senior Mike Mackey, who according to line coach John O'Hara, "stepped in and showed us no letdown at all from that position from a year ago."

The rest of the offensive line is basically set. Huge Mark Adickes, one of three all-SWC candidates in the line, will be the left tackle and working beside him at guard will either be last year's starter Mark Johnson or junior surprise Neal Donovan. They ended the spring tied for the top spot. Toiling at center will be all-SWC hopeful Randy Grimes with the right guard being another all-league possibility, senior Mark Kirchner.

The tight end position will have three proven players and one very talented sophomore fighting it out for the starter's rights. That soph, Joel Barrett, opened some eyes during spring drills and he and senior Sam Houston wound up tied for the top spot. Also, seniors Mike Lively (last year's starter who missed spring drills due to knee surgery) and Mike Hetherly will be back. Hetherly led the tight ends in receptions a year ago with six.

The kicking game is in good shape also as sophomore place kicker Marty Jimmerson and senior punter Ron Stowe are back to handle the duties. Jimmerson had off-season knee surgery but still kicked in spring practice. Recovery looks promising but if he is not 100 per cent, his job will be handled by Ben Perry, the team's kickoff man.

Thus, with an ample amount of experienced lettermen returning, the prospects appear bright for Baylor's resurgence on the SWC championship scene. It was a quick fall from 1980 to 1981, but getting back to 1980 form may be just as quick.

A Talk With Grant Teaff

Head Football Coach, Baylor University

CAN BAYLOR REBOUND OFF OF LAST YEAR'S DISAPPOINTING 5-6 RECORD?

"I think we were all tremendously disappointed last year with our record and know that we should have very well been 8-3 minimum and in some very fine bowl game, possibly the Cotton Bowl. But last year's disappointment should have a positive effect on our team this year. We are hungry and anxious to prove we are a better team than what we showed a year ago. My gut feeling is that we are going to surprise some people. I think we'll be capable of winning and certainly capable, if things were to fall right, of going to the Cotton Bowl."

WHAT WILL BE THE STRENGTH OF THIS YEAR'S TEAM?

"I guess the biggest plus we have on both sides of the field would be the experience, size and ability we have in the offensive line. As a group, they can compete with anybody in the nation. I expect a lot from this offensive line. I won't be pleased with just average play."

Overall, another strength will be the high number of returning lettermen we have. It's hard to replace experience and unfortunately some of the experience we received last year wasn't all that good, but it will still pay dividends in the future."

HOW WILL THE DEFENSE BE BETTER THIS YEAR?

"The biggest change will be in its confidence. One of our main goals this spring was to restore the confidence our defensive players had two years ago and I believe we did this. We also improved tremendously in the areas of technique and fundamentals. Most of our players on defense are young and still have a lot to learn about major college football. I think they learned a lot this spring. So with renewed confidence plus the improvement of our players, I see our defense as being very solid."

HOW WILL THE OFFENSE BE BETTER THIS YEAR?

"As I said earlier, the line will be our strength offensively. Even though most all of the starters return, we'll be better there because they'll have had one more year of playing time. I also look for our receivers and passing game to be better this season. Both of our quarterbacks are very good passers and they'll be throwing to a great set of receivers. I'd compare Gerald McNeil, Bruce Davis and Horace Ates to any set of wide receivers in the league. And then throw in our four tight ends and you can see why I am so high on our passing game."

DO YOU SEE ANY WEAKNESSES IN THIS YEAR'S TEAM?

"We have depth problems at defensive tackle, in the secondary and in the offensive backfield. But all of those problems could be erased if some young people come through for us, which I think they can. But I see no glaring weaknesses, I think we'll be a very solid football team and will compete well in the Southwest Conference."

WHO DO YOU THINK ARE THE FAVORITES IN THE SOUTHWEST CONFERENCE RACE?

"I suppose that Arkansas and SMU will be the consensus picks for the top spot in the league this year, and justifiably so. But very close to them will be Houston and Texas and then I would say that us and Texas A&M would be right behind those folks. TCU is the team to keep your eye on. They have more good athletes than anybody else in the league."

"I know it's going to be a real dogfight and I really don't know who you would pick first, or last for that matter. Picking the last place finisher would be as tough as picking the winner. The conference race will be closer and more hotly-contested this season than any other I've seen since I've been head coach. That I know for sure."

WHAT DO YOU THINK ABOUT BAYLOR'S SCHEDULE THIS YEAR?

"We have a very good home schedule. We play four of the biggies (SMU, Houston, Arkansas and Texas) at home and this is going to certainly be helpful where as last year we played them all on the road and lost all four games. We feel like we have got a chance to win some ball games at home and if we can do that, I think we are going to be a pretty good football team. Anything can happen in this year's conference race, if we can just hang in there, you don't know what's going to happen. If we can win at home and hold our own on the road, it will put us in great position in the conference race.

"Non-conference games will be tougher this year. Playing bowl teams like Ohio State and Tulane on the road is no easy chore. And we can't forget about North Texas State to open the season with at home. We learned our lesson from Lamar a year ago in exactly the same situation."

WILL YOU GET ANY IMMEDIATE HELP OUT OF THE RECRUITING CLASS?

"We will out of Allen Rice, our lone junior college recruit. He can play on either side of the ball for us, we just have to decide where. But from the freshmen, help is there but I hope we don't need it. The two freshmen quarterbacks (Cody Carlson and Tom Muecke) are capable of playing and I think running back Ron Francis will be into the picture eventually. Also, Jack Hurd in the secondary is capable of playing right away. The others' playing chances will depend on injuries and depth at their positions. I'm going to be real open about the new freshman redshirt rule. I'm not so sure that the sophomore year is the best time to redshirt because those freshmen come in here after being highly recruited and it's hard to keep them satisfied. I do think it's a good rule, though, because it gives you the choice of which year to redshirt."

Bobby GLASS

Left Defensive End

Senior. . .23. . .6-4. . .253. . .Duncanville. . .3L

Will battle Paul Mergenhagen for the starting left defensive tackle spot when fall workouts begin. . .was the starting offensive tackle one year ago but made the move to the defense with the opening of spring drills. . .however, was unable to learn new position because of deep hamstring injury suffered in weight room during offseason. . .Bear coaching staff are taking chance with Glass since he earned second-team all-SWC honors last year at his offensive position. . .this situation at defensive tackle position warranted the move. . .“All the tools are there physically for Bobby to become a solid tackle, he is very intense and quick and he’s smart enough to learn the new position,” Pete Fredenburg, defensive line coach, said. “It’s just a matter of him learning techniques. It will be a very intense two-a-days for him. We wouldn’t move him unless we thought he could contribute to the defensive line play.”

Started all 11 games last season for the Bears. . .in Baylor’s 1980 championship season, Glass moved from left tackle to right when Mark Adickes injured a knee in the season opener with Lamar. . .the fact that he plays football at all astounds doctors. . .signed with Baylor out of high school, but back problems and a deteriorated hip socket kept him out of football a year. . .started school three years ago, but still didn’t have clearance to play football. . .instead he spent enough time in the weight room to up his weight from 220 to 245. . .came to Baylor as a linebacker-tight end prospect, but with increased weight, coaches moved him to tackle. . .brother Billy was an all-SWC player for Baylor in 1979 and his father Bill, Sr. was an all-America guard at Baylor and went on to earn all-Pro status for the Cleveland Browns.

I think Gregg will be in a position to make a good contribution this year, as he did last season.”. . .started one game a year ago, against Texas A&M, and played in 10. . .top tackle game of career came against the Aggies when he claimed five stops. . .for the year, Bomkamp recorded 32 tackles, 23 unassisted. . .three of the tackles went for 14 yards in losses.

GRANT TEAFF

Baylor Head Coach Grant Teaff

Entering his second decade as the head football coach at Baylor University, Grant Teaff can honestly say that he has done what many people called the impossible. But that's nothing new for Teaff, who has made a habit of accomplishing what most folks say can't be done.

Teaff became the Bears' 20th head coach in 1972, taking over a program that some said should drop out of the Southwest Conference. Baylor football had a 3-28 record in the three years before he arrived, but worse than the on-field performance was the negative attitude that pervaded the program.

Despite all that, the man from Snyder received SWC Coach of the Year honors in just his first year. Two years later, his Bears produced what was called "The Miracle on the Brazos" as they won the school's first league title in 50 years and went to the Cotton Bowl for the first time. That 1974 season, Teaff was again given the SWC Coach of the Year award and received National Coach of the Year laurels, too.

The 1979 and '80 seasons were other Teaff success stories. In '79 he took a team that was picked near the bottom of the SWC and finished the year with an 8-4 record and a Peach Bowl win over Clemson. Again, Teaff was named Coach of the Year.

Experts picked the 1980 Bears sixth and that's where they finished the regular season. But instead of being sixth in the SWC, they were sixth in the nation, and had a 10-1 record, 8-0 in the league. Both were school bests. Overall, the Bears broke 28 other school records, and again, Teaff was the SWC Coach of the Year.

Last season was one of the most disappointing in Teaff's career, as the Bears fell to 5-6. It was one of those years where a break or two going the other way could have made the story completely different.

Baylor's second-winningest coach (behind Morley Jennings' 83-60-6 mark for 15 years) now stands at 56-54-3 at BU. He is 98-100-5 for his career. With ten seasons under his belt, he can lay claim to the title of dean of the SWC coaches.

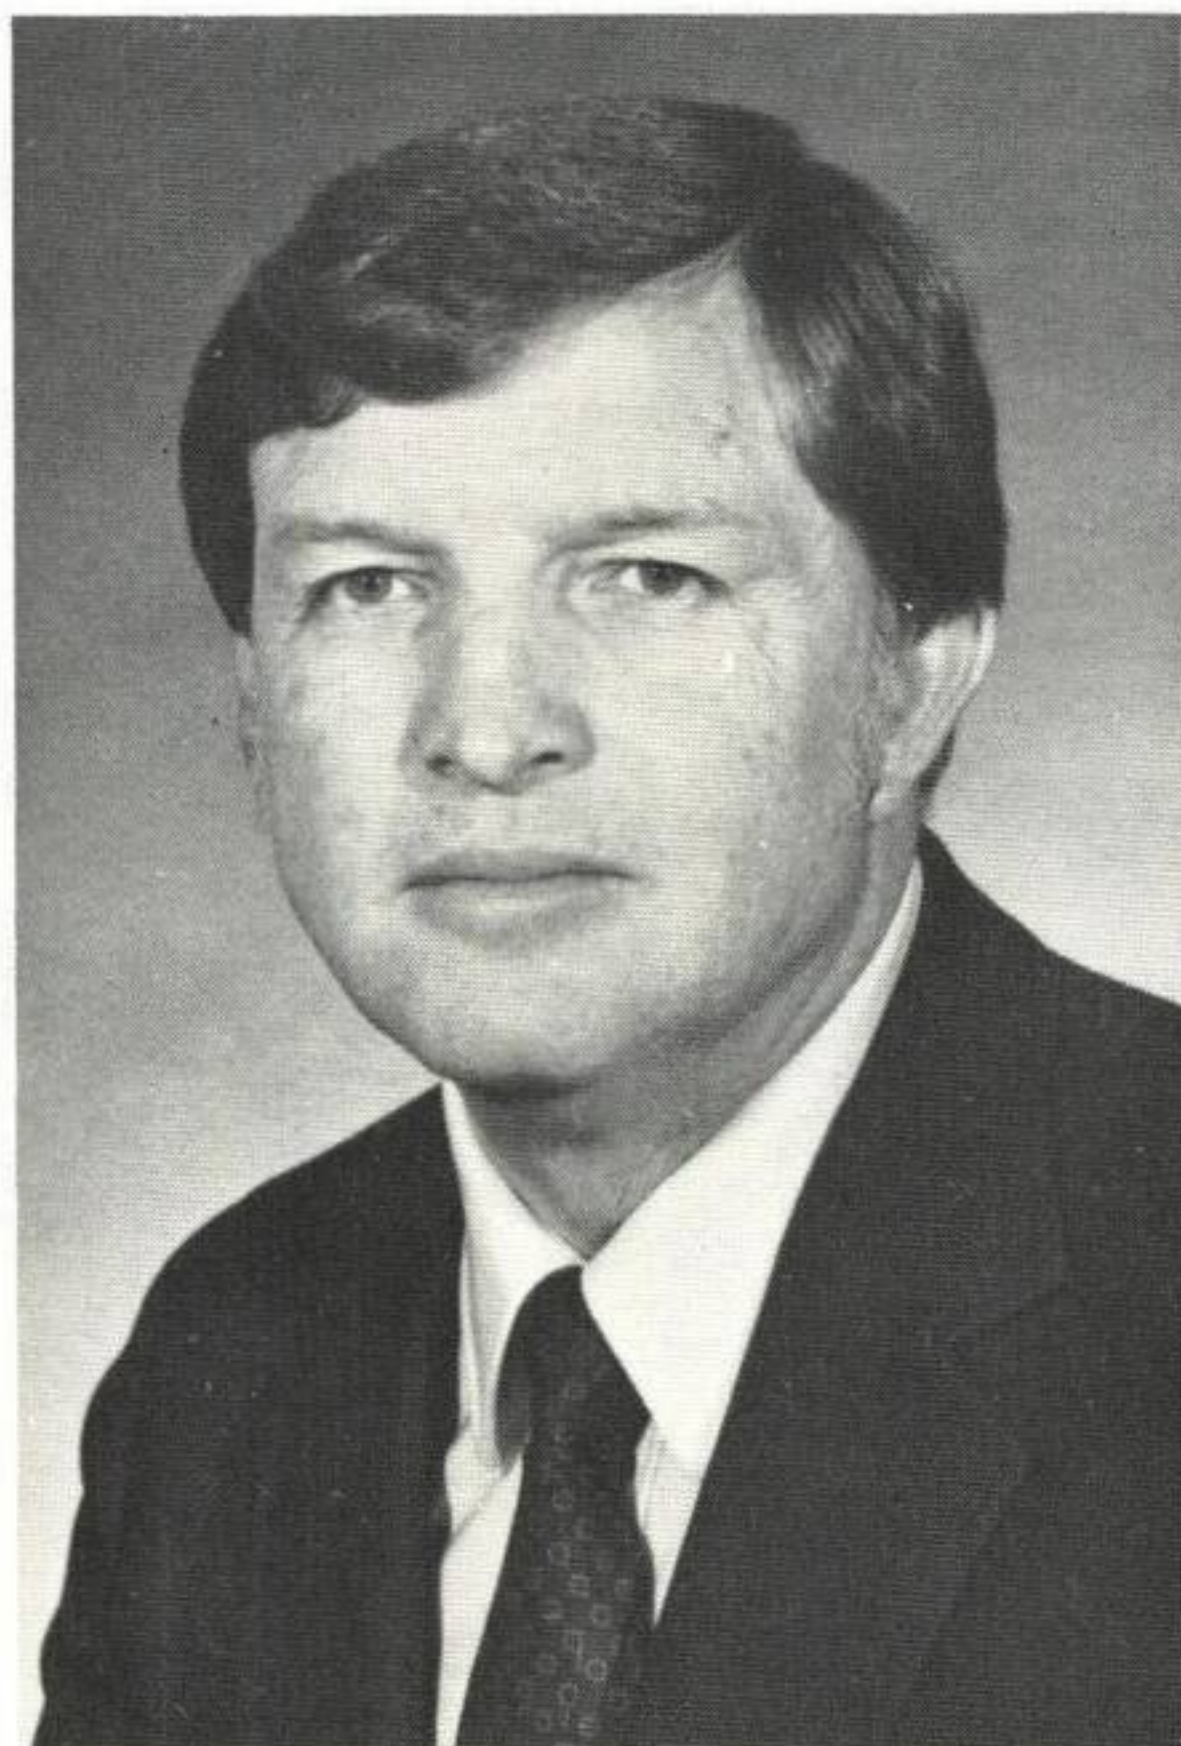

Teaff played two years of junior college football at San Angelo College and was an all-Texas Conference linebacker at McMurry College in Abilene. Before that he was a multi-sport letterman at Snyder High School in West Texas. He captained teams at all three levels.

His first coaching stint came at Lubbock High where he was an assistant coach. His alma mater, McMurry, then called him to be its head coach, and he took the job as the nation's youngest head football coach. After a successful stay there he went to Texas Tech as recruiting coordinator and assistant football coach. His next move was to Angelo State, where in three years he posted an a 19-11 mark, including a 7-3 record in 1971.

Then in 1972 he was called to Baylor to begin the challenge of his life. Baylor football hasn't been the same since.

Teaff's coaching philosophy places emphasis on personal development of the individual athlete and motivation to gain maximum performance. He has coached nine players to first team all-American status and dozens to all-SWC honors.

Only six assistant coaches have left Teaff's staff at BU, and each one left to become a head

football coach somewhere on the college level. Recently Bill Hicks left to become head coach and athletic director at Howard Payne and Corky Nelson became the head coach at North Texas State. Before that, Bill Yung went to West Texas State, Dal Shealy went to Richmond, Ron Harms went to Texas A&I and Pat Culpepper went to Northern Illinois.

Teaff is one of the country's most highly sought-after speakers. He's considered to be one of the top football clinic speakers anywhere. He's active in the Fellowship of Christian Athletes, and was on the board of trustees of that group.

Grant and his wife Donell, a former Texas Tech cheerleader, have three daughters, Tammy, 24, Tracy, 22, and Layne, 17.

For three of those years the school offered no football scholarships. In 1966, went to Texas Tech as assistant coach and in 1969 became the head coach at Angelo State, posting a 19-11 record.

Dr. Herbert H. Reynolds

PRESIDENT

Baylor University's president is the distinguished Dr. Herbert H. Reynolds. The former executive vice president and chief operating officer was selected to the president's position two years ago by the Board of Trustees to replace Judge Abner McCall.

The Frankston native wasted little time launching himself into a lifetime of achievement. By age 22, he had graduated from Trinity University with a B.S. degree, had completed four years of active duty in the Air Force, was married and had a son.

In the years that followed, Reynolds was an advisor to the Japanese government, earned an M.S. in psychology and was an assistant professor-lecturer at Baylor (1956-59). He then became a Teaching Fellow while earning the first Ph.D. in psychology at Baylor in 1961.

Reynolds served as chief of psychology, director of research and deputy commander of the Aeromedical Laboratory at Holloman Air Force Base in Alamogordo, New Mexico, from 1961 to 1968. In early 1968, he was appointed as the first commander-director of the Air Human Resources lab in San Antonio. During his research career, Reynolds published some 50 articles and technical reports.

After retiring from the Air Force in December 1968, Reynolds was invited to return to Baylor as senior vice president and tenured professor of psychology and, in 1978, was elected Baylor's chief operating officer. Since that time, he has been

responsible for both academic and financial matters.

Along with honorary memberships in several Greek letter organizations, Reynolds is a member of Who's Who in America, World's Who's Who in Science, and the Psychological Association.

Reynolds is also actively involved in civic affairs, serving as director of the Waco Chamber of Commerce and two local financial organizations.

Reynolds is married to the former Joy Myrta Copeland of Livingston. They have two married sons, Kevin and Kent, and a daughter, Rhonda, who is a senior at Baylor.

Bill Menefee

ATHLETIC DIRECTOR

Now entering his third football season as athletic director at Baylor University is Bill Menefee.

Menefee, who took over the athletic directorship from Jack Patterson on September 1, 1980, served as basketball coach at Baylor for twelve years (1961-73). During his tenure he compiled an overall record of 149-144 and was named Southwest Conference coach-of-the-year three times.

A native of Grand Falls, Menefee earned 1943 all-American honors at North Texas State University from his forward position on the basketball team. The two-year Eagle captain led his team to a third place finish in the NAIA Tournament his last year in college.

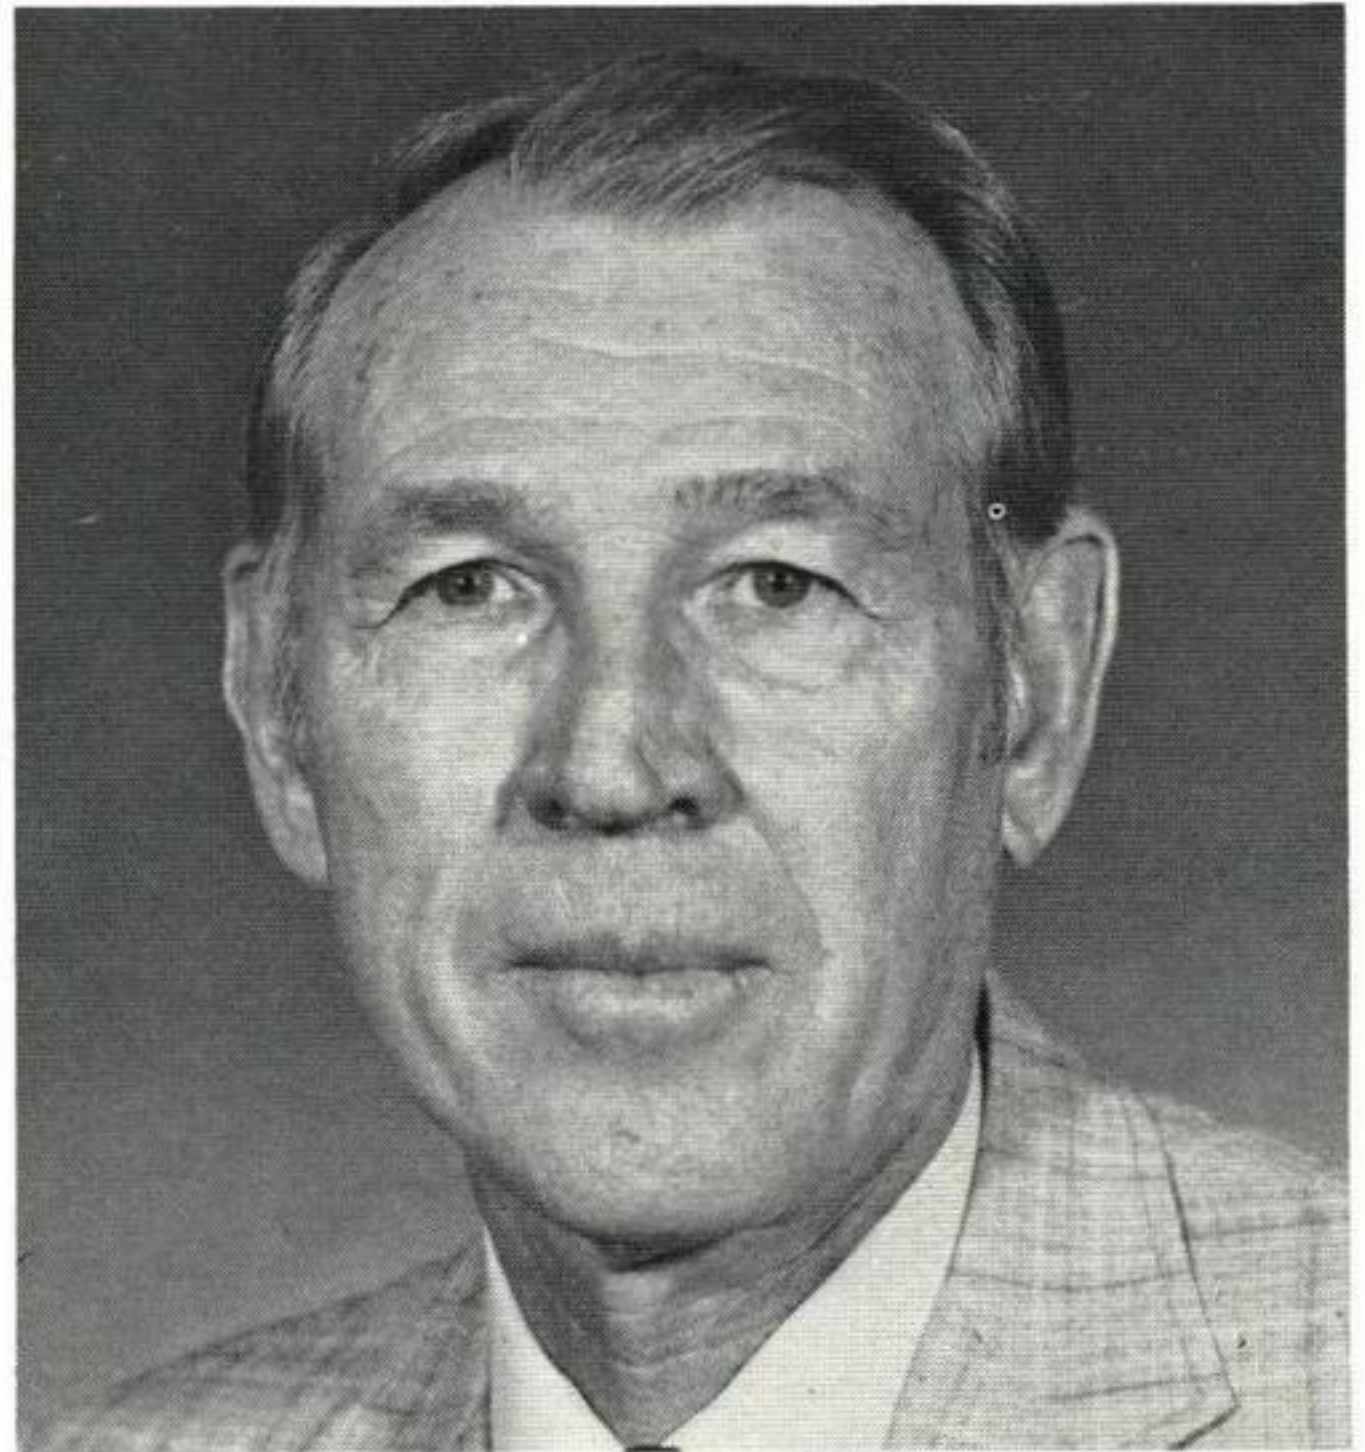

Menefee, 60, won the Bronze Star for bravery in the Marines during World War II and following his honorable discharge returned to North Texas where he received his masters degree in physical education.

After coming to Baylor in 1947 as a physical education instructor, Menefee assumed the duties of assistant basketball coach that same year and guided the Cubs to a 68-50 record in ten seasons. He served as an assistant to the legendary Bill Henderson, who coached the Bears to four conference championships in 14 seasons.

Menefee, with Henderson's retirement in 1961, took over the Bear coaching reins but all wasn't rosy in the beginning.

His first team went 4-20 and his first three years on the job, his team accumulated a record of 18-54. But then his recruiting began to pay off and his team finished the 1965 season with a 15-9 mark (good enough for second place in the league) and that started his squads on the way to seven winning seasons in the next eight years.

Because of his success, Menefee was awarded coaching honors following the 1965, 1968 and 1969 years. The Bears fin-

ished second in the conference each of those seasons.

However, records and statistics are not all of the Bill Menefee story. During his tenure Baylor's tallest performer stood only 6-7 but he usually found a way to overcome this by giving opponents fits with his patented fullcourt presses.

Menefee is married to the former Dorothy Winford, a native of Dallas, and they have two children; Pete, an attorney in Jacksonville and Mrs. Carol Spear, a special education teacher in Waco. They have three grandchildren.

David Taylor

ASSOCIATE ATHLETIC DIRECTOR

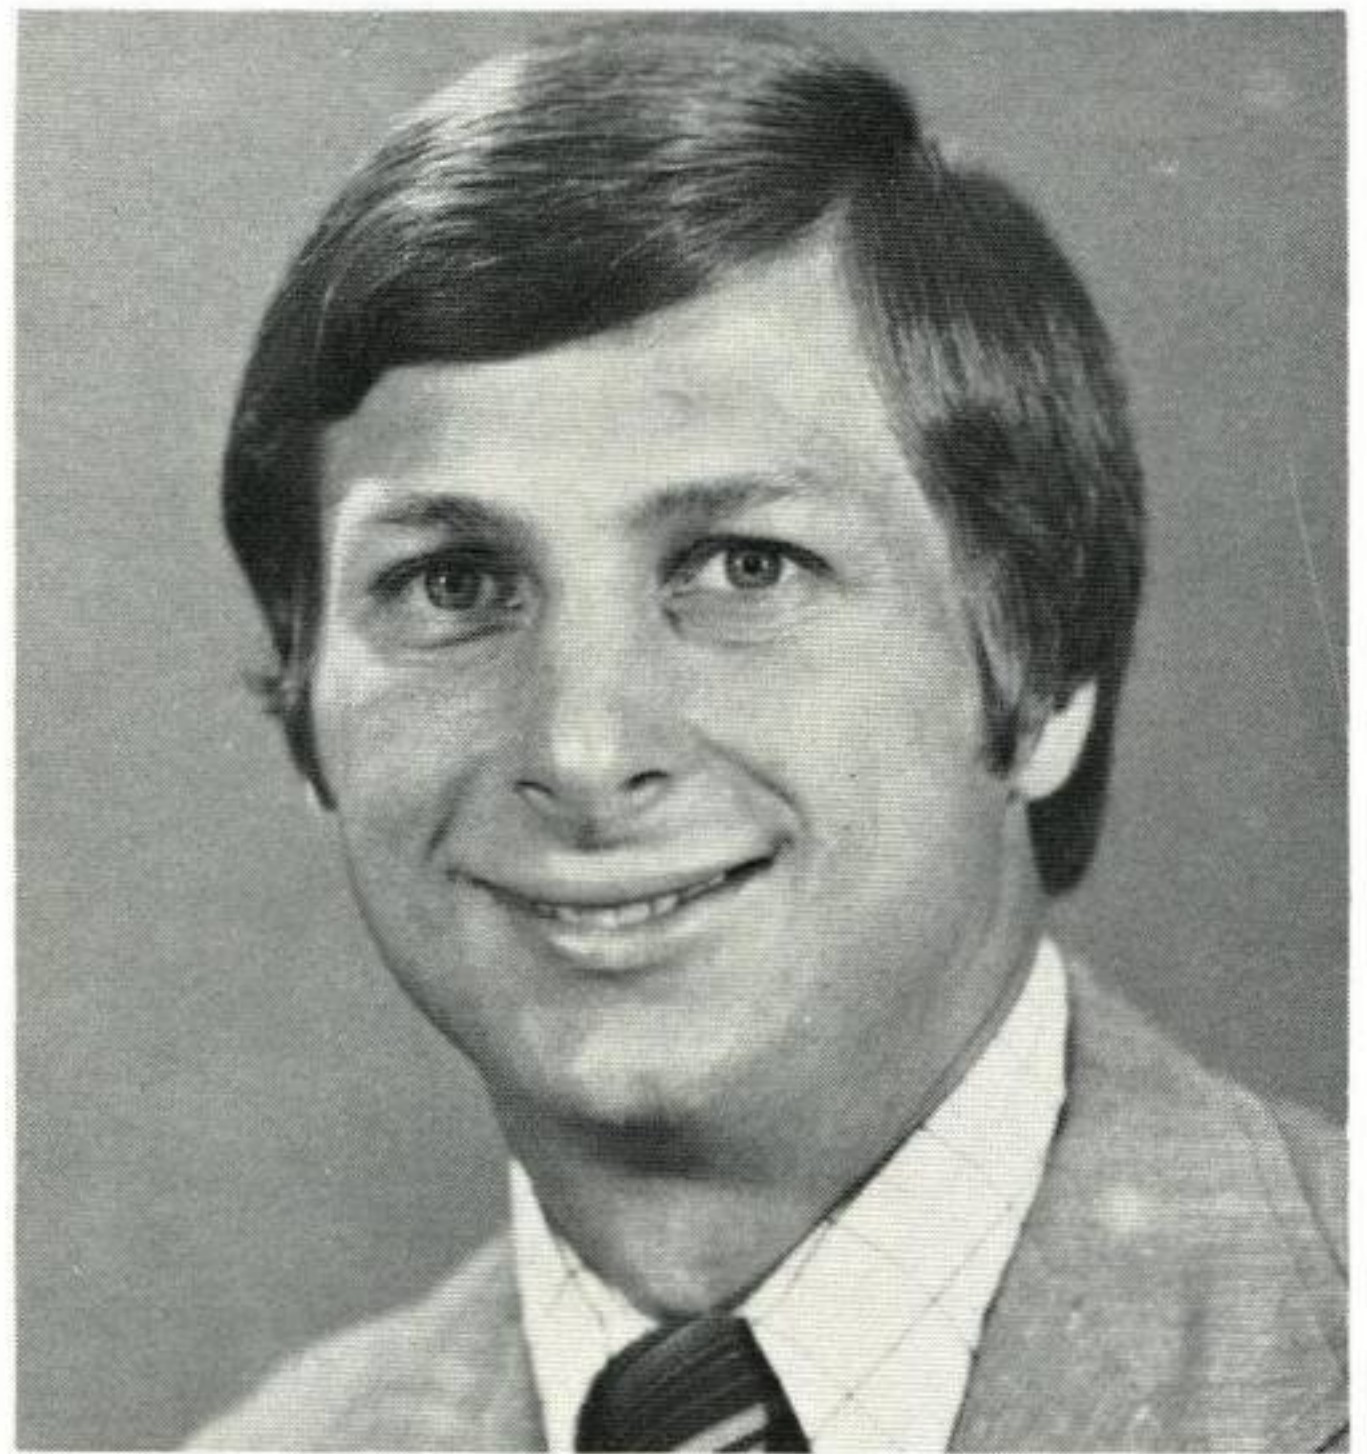

Handling the business end of the athletic department and assisting athletic director Bill Menefee in administration is associate athletic director David Taylor. He was named to his current position a year ago after serving as assistant AD for five years.

Taylor, a former ticket office employee while a student at Baylor, has earned the respect of Southwest Conference and Baylor administrators through his work under former athletic director Jack Patterson and now Bill Menefee.

A 1966 graduate of Pampa High School, Taylor earned his B.A. degree from Baylor in 1972. He served as Patterson's administrative assistant until May of 1974 and received his Certified Public Accountant certificate the same year. Taylor then entered private business.

In 1975, the position of assistant athletic director was created and Taylor returned to Baylor.

"David has an outstanding reputation

and I like working with him to help Baylor progress," said Menefee.

Taylor, 33 is married to the former Brenda Ross of Waco. The couple has two daughters: Mary Katherine, 4, and Kristen, 2.

Marie Abel

ASSISTANT ATHLETIC DIRECTOR

Now in her 28th year at Baylor is assistant athletic director Marie Abel. The former assistant business manager and ticket manager was named to the assistant AD post a year ago to replace David Taylor who became associate athletic director.

Abel, a former student at Baylor, began working fulltime for the university in 1949 in the registrar's office. In 1950 she took a leave of absence while her husband was in the service and then returned to Waco after three years.

She worked in the Baylor alumni office and in budget and purchasing before coming to the athletic department in 1961.

Official duties of the native Wacoan include ticket sales, office management and handling all travel arrangements and

game arrangements for home contests. She is also the president of the National College Athletic Business Managers Association (CABMA), the first woman ever to be elected to the president's position.

Marie has four children: Jim, a tax

assessor in Dallas; John, a businessman in Waco; Mrs. Janet DeClue, a businesswoman in Temple; and Mrs. Judy Linder, a businesswoman in Austin. She also has two grandchildren: Shannon, 5, and Sarah, 2.

M.A. "Catfish" Smith

**PROMOTION DIRECTOR
EXEC. VICE PRESIDENT, BEAR CLUB**

Handling promotions for Baylor's athletic department, along with heading up the Baylor Bear Club booster organization, is the colorful M. A. (Catfish) Smith.

A member of the Texas Sports Hall of Fame, the Panhandle Sports Hall of Fame, and East Texas Sports Hall of Fame, and the Texas Association of Basketball Coaches Hall of Fame, Catfish is considered a champion throughout the state.

He was a champ in his own right as a football and basketball player at East Texas State in the early 1930s, but he is best known for making champions out of others, coaching at the high school and collegiate levels.

Two years out of East Texas State, Smith led the youngsters of the Carey High School basketball team to the semifinals of the state tournament. His second year at the west Texas town saw Carey win the state title.

During the 1940s, Catfish served as head football and basketball coach at Mount Vernon High School. During his seven year there, he collected a 60-5-1 football record and 163-17 basketball mark. He also became the only coach in Texas prep history to produce undefeated teams in both football and basketball as his pigskin squad went 12-0, his cagers 48-0. Mount Vernon received six straight district titles in football, and five regional and one state cage championship under Catfish's coaching.

Smith returned to his alma mater in 1951 to coach football. He lost two games early in his first season to Abilene Christian and North Texas State and then he proceeded to mark up 29 straight victories. His three-year record at East Texas State was 30-2-1 including three Lone Star Conference championships and two Tangerine Bowl bids.

Nursing ulcers for years, Catfish had a majority of his stomach removed in surgery during that remarkable string of victories of East Texas, which prompted his return to the high school level at Longview High.

After five years at Longview, he moved to Baylor in 1959 where he served as freshman football coach until assuming his current title 11 years ago.

Smith is a very active civic member in the community, having served as a city councilman from 1973-77 and as the mayor of Waco in 1976. He has participated on the Central Texas Zoo Board, the Executive Board of CETA, the Heart of Texas Council of Governments and is presently a member of the Waco Airport Board.

Catfish, who was recently married to the former Nell Evans, has two sons; Ronnie and Jimmy, both Baylor graduates. Jimmy is married to Francie Larrieu, an internationally known trackster.

Edwin Horner

SOUTHWEST CONFERENCE FACULTY REPRESENTATIVE

Baylor School of Law professor Edwin Horner continues to serve as Southwest Conference Faculty Representative and Athletic Council chairman. He is also next in line to be president of the SWC.

The Davis, Oklahoma, native graduated in 1937 from the University of Oklahoma. During the next few years Horner served four years in the Air Force and was employed as a businessman.

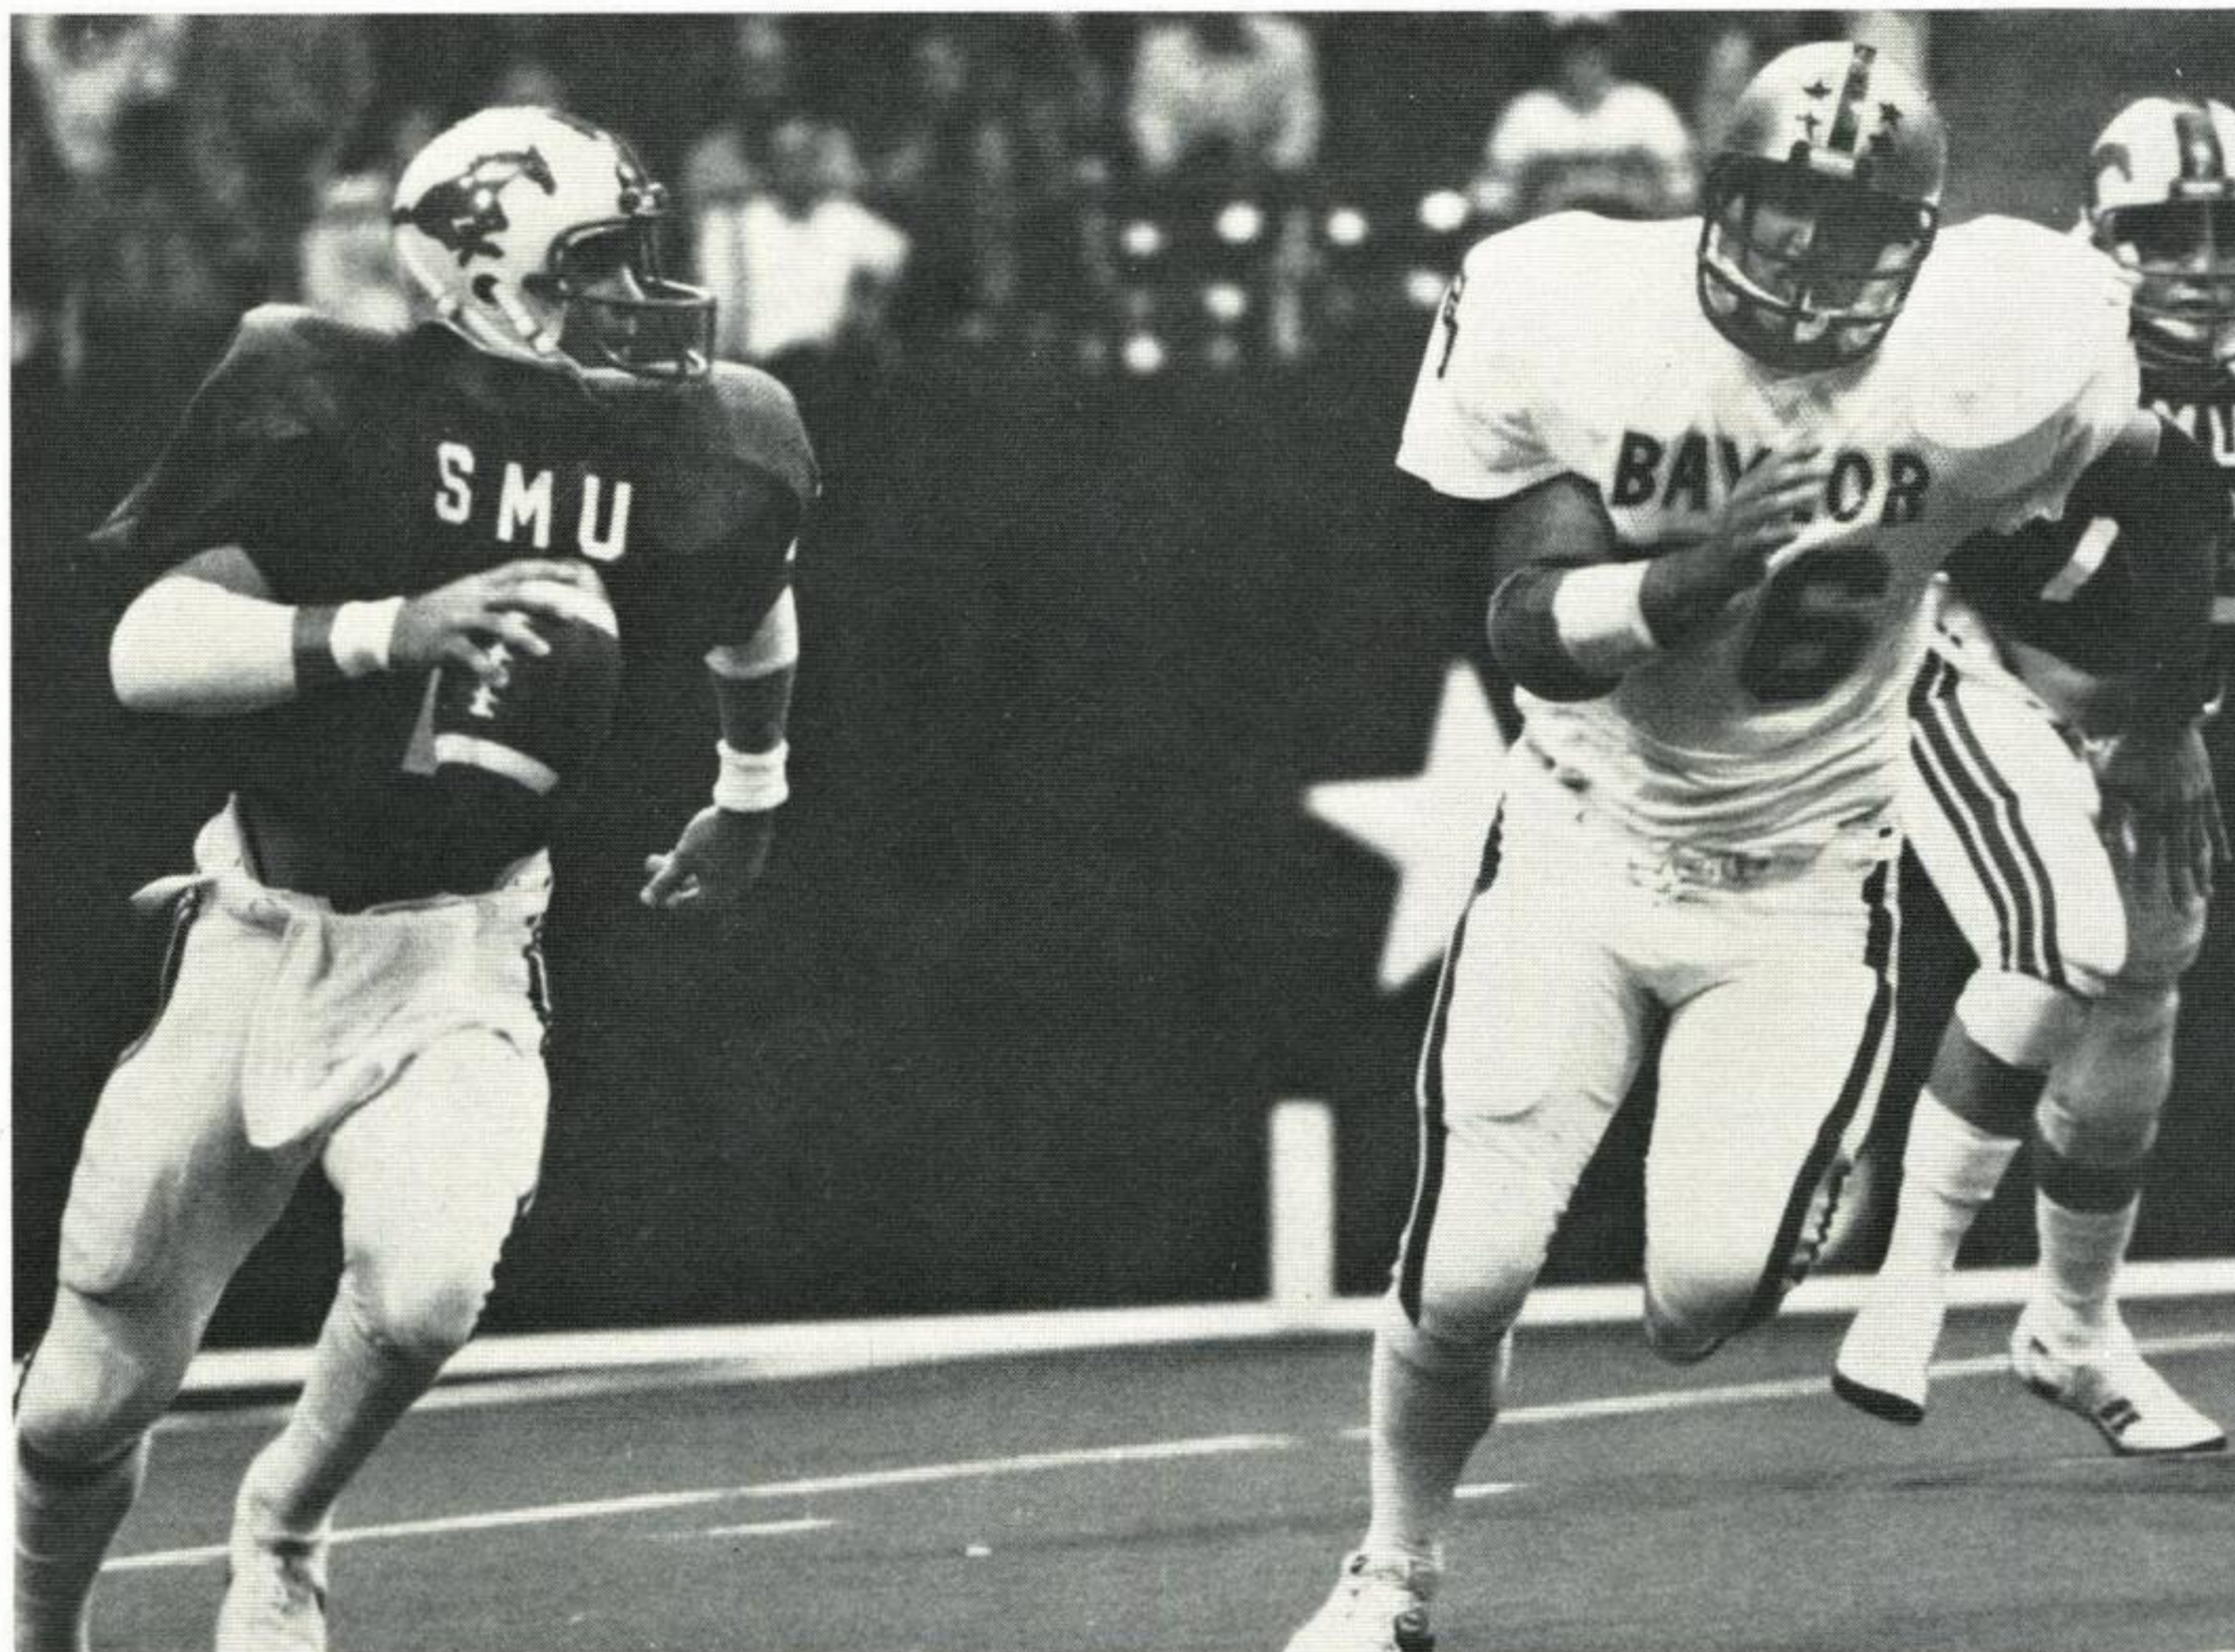

In 1948 he graduated from the Southern Methodist University law school and was immediately asked to join the Baylor staff.

In 1960 Horner moved to San Antonio to work as a bank trust officer but he returned to Baylor in 1968 where he has been since. Horner teaches contracts and oil and gas law classes.

Horner and wife Mary Arden have three children: Suzanne Berry, a teacher in Bel-

ton; Robert, a CPA in St. Paul, Minnesota; and Claudia, who is employed in Austin.

Defensive tackle Gregg Bomkamp gives chase.

The Southwest Conference

Organized in 1914, the Southwest Athletic Conference arose out of special needs of the larger colleges of the section to create an organization which would further the best interests of intercollegiate athletics.

Need of higher academic standards for student athletes and of ethical standards and practices were guidelines for the representatives of seven institutions who convened in Dallas May 6, 1914, for the purpose of founding an organization that would "enlarge and more closely relate the athletic activities of the larger institutions of the states represented." The meeting was held at the Oriental Hotel, site of the Baker Hotel today.

It was at the invitation of L. Theo Bellmont, then athletic director of The University of Texas, that the representatives from seven institutions convened in Dallas for the founding. Present for the drafting of the constitution and bylaws were C. A. Gantt and S. R. Spencer, Baylor University; J. C. Snipes, Southwestern University; John Corbett, Oklahoma A&M College; Robert J. Potts, Texas A&M College; T. W. Atkinson and J. F. Broussard, Louisiana State University; D. K. Sadler and R. J. Nelson, University of Arkansas; Dr. W. T. Mather and Bellmont, The University of Texas.

The founding fathers met for a second time at the Rice Hotel in Houston, December 8, 1914, and completed the organization. Representatives from the University of Oklahoma (Ben Owen) and Rice Institute (W. W. Watkin) were present for this meeting and their institutions became charter members along with Arkansas, Baylor, Southwestern, Oklahoma A&M, Texas A&M, and Texas. Rice was accepted provisionally.

Thus came into existence the Southwest Intercollegiate Athletic Conference, which two years later (May 1916) was to be shortened to Southwest Athletic Conference. The league encompassed representatives of only three of the five states that were included in the original planning. LSU withdrew at the organizational meeting, while the University of Mississippi failed to follow through on early indications of interest.

Composed of eight members at the outset, the Conference functioned with as few as six (1916 and 1917), had eight members in 1920, and then had seven members for 30 years (1926-55). The admission of Texas Tech in 1956 brought the membership to eight again and the admission of the University of Houston in May 1971 set it at the all-time high of nine.

Southwestern, Oklahoma and Phillips withdrew after brief periods and Oklahoma A&M took leave after a decade of membership. SMU joined in 1918 and TCU in 1923, last additions before Texas Tech's admission.

CAPSULE OUTLOOK

North Texas State, under the direction of former Baylor assistant coach Corky Nelson, has a wealth of experience returning for the 1982 football season. In all, 56 lettermen and 17 starters return to try to improve upon last year's 2-9 record.

In the offensive backfield junior Carlen Charleston and senior Bobby Daniels should carry most of the load. Charleston had mid-season knee surgery, but still managed 420 yards in 106 carries in '81. Daniels split time at tailback and fullback, and finished with 163 yards in 46 carries.

The quarterback spot could belong to any one of four players, Greg Carter, Rusty Hill, Shaw Thompson and Mike Fisher. The first three split time last year, and Fisher is a transfer from Louisiana Tech.

The offensive line features a completely intact two-deep. Tackles Paul Schulze and Zene Renfro, guards Darrin Straughan and Dan Reeder and center Toby Bowen all return. Their backups are all back in the fold as well.

Flanker Marvin Walker leads the receiver corps. He caught 32 passes last year for 373 yards. Tight end Mark Witte was next with 18 for 164 yards, and split end Tony Merriwether followed with 11 grabs for 146 yards.

The linebacking corps is solid with Lester Harper returning and Mike Sizelove holding down the other spot. The defensive line, however, is a bit more unsettled.

The entire defensive backfield returns intact, with Dale Moses, the strong safety, expected to be the standout. He led the defensive backfield with 61 tackles a year ago, and had two interceptions. Phil Broadus and Jay Record will man the cornerback positions.

With all that experience, the Mean Green should improve upon last year's record. The 1982 schedule should not be as tough as '81's, which included six teams that won conference championships or went to bowl games.

Bear Story

Back in the 1920's Baylor University received its first live mascot from troops of the 107th Engineers, a unit of the 32 Infantry Division, which was stationed in Waco.

The bear, named Ted, made his first appearance at a Baylor-Texas A&M game, and when the unit got its order to move on the bear was left in the hands of the athletic department. Since then the use of bears at home football games has become as much a fixture as football players, cheerleaders and bands.

Probably the most well known bear mascot was Joe College who came to Baylor through the work of Bill Boyd, then a student at Baylor. It seems Mr. Boyd bought the bear from a zoo that went broke at the Cotton Palace. He then approached Baylor's president, Pat Neff, and offered to take care of the bear and feed him as the school's official mascot in exchange for free tuition. Mr. Neff accepted the deal and the tradition of live bear mascots has continued ever since.

The current bear mascot is named Judge Charles, or Chuck for short. The North American black bear cub arrived last March to replace the growing Robbie, the preceeding mascot.

Every two years the university gets a new bear because they get too big and become hard to control. Judge, the mascot that went to the Cotton Bowl in 1974, still lives on campus, however, because of his gentle and tame nature. Most of the mascots are North American black bears, a species that seems to adapt to people quite well.

All the bears are kept at the Hudson Bear Plaza built four years ago near the Baylor Student Union. They are sponsored by the Baylor Chamber of Commerce, a service fraternity on campus.

CAPSULE OUTLOOK

Ohio State coach Earle Bruce, whose three-year record with the Buckeyes is an impressive 29-7, returns 17 starters from last year's 9-3 team, nine on offense and eight on defense.

Heading the list of offensive holdovers are a trio of good players: tailback Tim Spencer, split end Gary Williams and guard Joe Lukens.

Spencer was a first-team all-Big Ten selection last year, netting 1,217 yards and 12 touchdowns on 226 carries. The 6-2, 210-pound speedster (he runs a 4.37 forty), had five 100-yard games last year, with four more in the 90's.

Williams hauled in 50 receptions and had six TD catches. The 6-3, 200-pound receiver,

who enters the 1982 season with a string of 36 games in which he has caught at least one pass, averaged 18.8 yards per reception in 1981. With one season to go, he already is OSU's all-time leading receiver.

Lukens is a 6-4, 260-pounder who is in his fourth year as a starter. He has been the Buckeyes most consistent lineman the past two seasons.

Top defensive returnees include linebackers Marcus Marek and Glen Cobb and tackles Jerome Foster and Chris Riehm.

Marek led the Buckeyes in tackles last year with 148 and was a first-team all-Big Ten choice. He is the second leading tackler in Ohio State history, behind only Tom Cousineau.

Cobb, the Buckeye co-captain, was second in tackles with 125 in his first full year as a starter.

Foster and Riehm, both in their fourth years as starters, recorded 66 and 38 tackles, respectively, a year ago. Foster led the Buckeyes in sacks with 12 for a minus 68 yards. Riehm missed the first two games of the season, but came on late in the year to help OSU gain a share of the conference title.

The biggest concerns for the Buckeyes are replacing all-time total offense leader Art Schlichter at quarterback, Bob Atha at punter and placekicker and Nick Miller at middle guard.

Atha, who also was the back-up quarterback, led the Big Ten in scoring with 88 points and averaged 40.1 yards per punt.

Miller, voted Most Inspirational Player in 1981, recorded 67 tackles including 11 tackles for losses.

CAPSULE OUTLOOK

If injuries and good fortune truly balance out, then Texas Tech should be in for some good things in 1982.

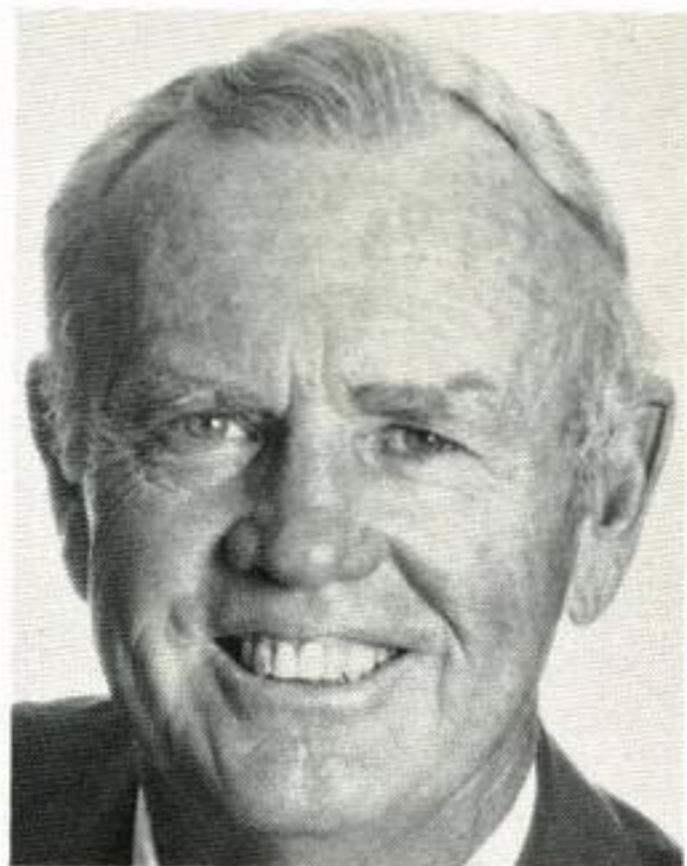

The Red Raiders were hampered by injuries (45 different players started during the '81 season) and bad breaks (lost to three bowl teams by a touchdown or less) on the way to a 1-9-1 season. Second-year coach Jerry Moore feels his current edition should be better than last year with everything considered equal.

The Red Raiders return 39 lettermen from last year's team, including six offensive and seven defensive starters. Add to those figures three starters in 1980 who were redshirted last year, and the Raiders' experience factor seems to be improved.

Hart had a solid spring at quarterback, but the big question in the backfield is whether Anthony Hutchison can stay healthy at I-back. He gained almost 500 yards in three and a half games last year before being slowed by a pulled hamstring. Top defenders are line-backer Stan Williams, defensive end Kenneth Sternes and nose-guard Gabriel Rivera.

CAPSULE OUTLOOK

Armed with talented quarterback Lionel Wilson and a deep offensive line headed by highly-touted Maceo Fifer, Houston coach Bill Yeoman will lean on his offense to carry the load while keeping an inexperienced defensive line off the field as much as possible.

The 6-1, 205-pound Wilson broke several Houston records as a sophomore, including most yards total offense, most yards rushing for a quarterback and most plays in one season.

Senior offensive tackle Fifer will be the man UH depends on to get Wilson and the rest of the offensive backfield downfield. The 6-6, 265-pounder heads a list of seven lettermen who man the front. Right guard Bobby Grimes and center Billy Kidd are other veterans Yeoman is counting on.

David Roberson has been moved from flanker to split end, so Wilson will have to throw to two men new to their positions.

The defense is stacked with talent in the backfield and the linebacking spots, but an unseasoned front five will be called upon. Weedy Harris led the team in tackles from his linebacker spot a year ago, and Eugene Lockhart handles the other spot. Greg Harmon will handle one end position.

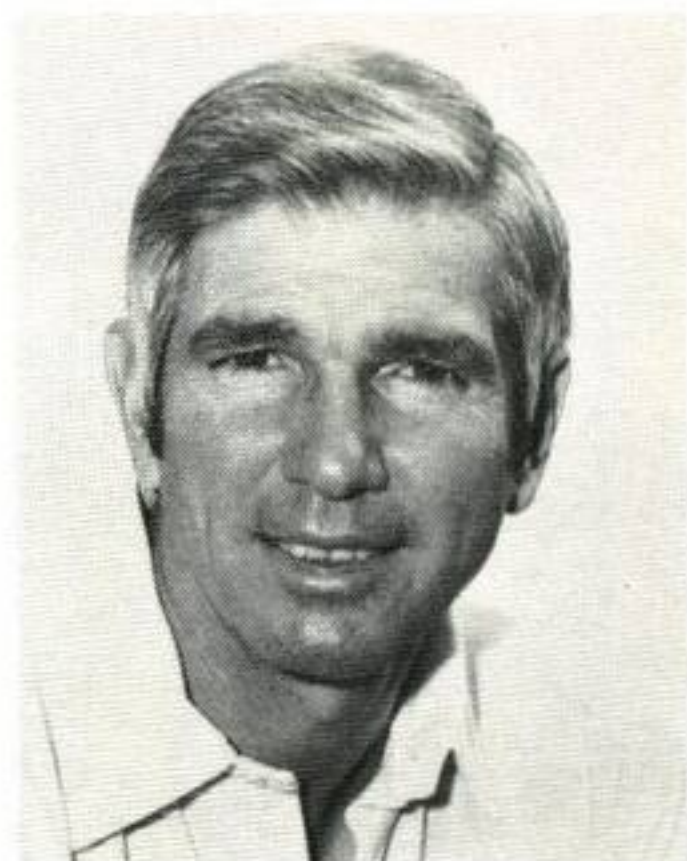

Butch LaCroix is a fine cornerback and another good one, Reggie Vonner, plays opposite him. Calvin Eason is back at free safety and James Durham will handle the strong position.

Both place kicker Mike Clendemem and punter Lonnie Stokes are back as well.

CAPSULE OUTLOOK

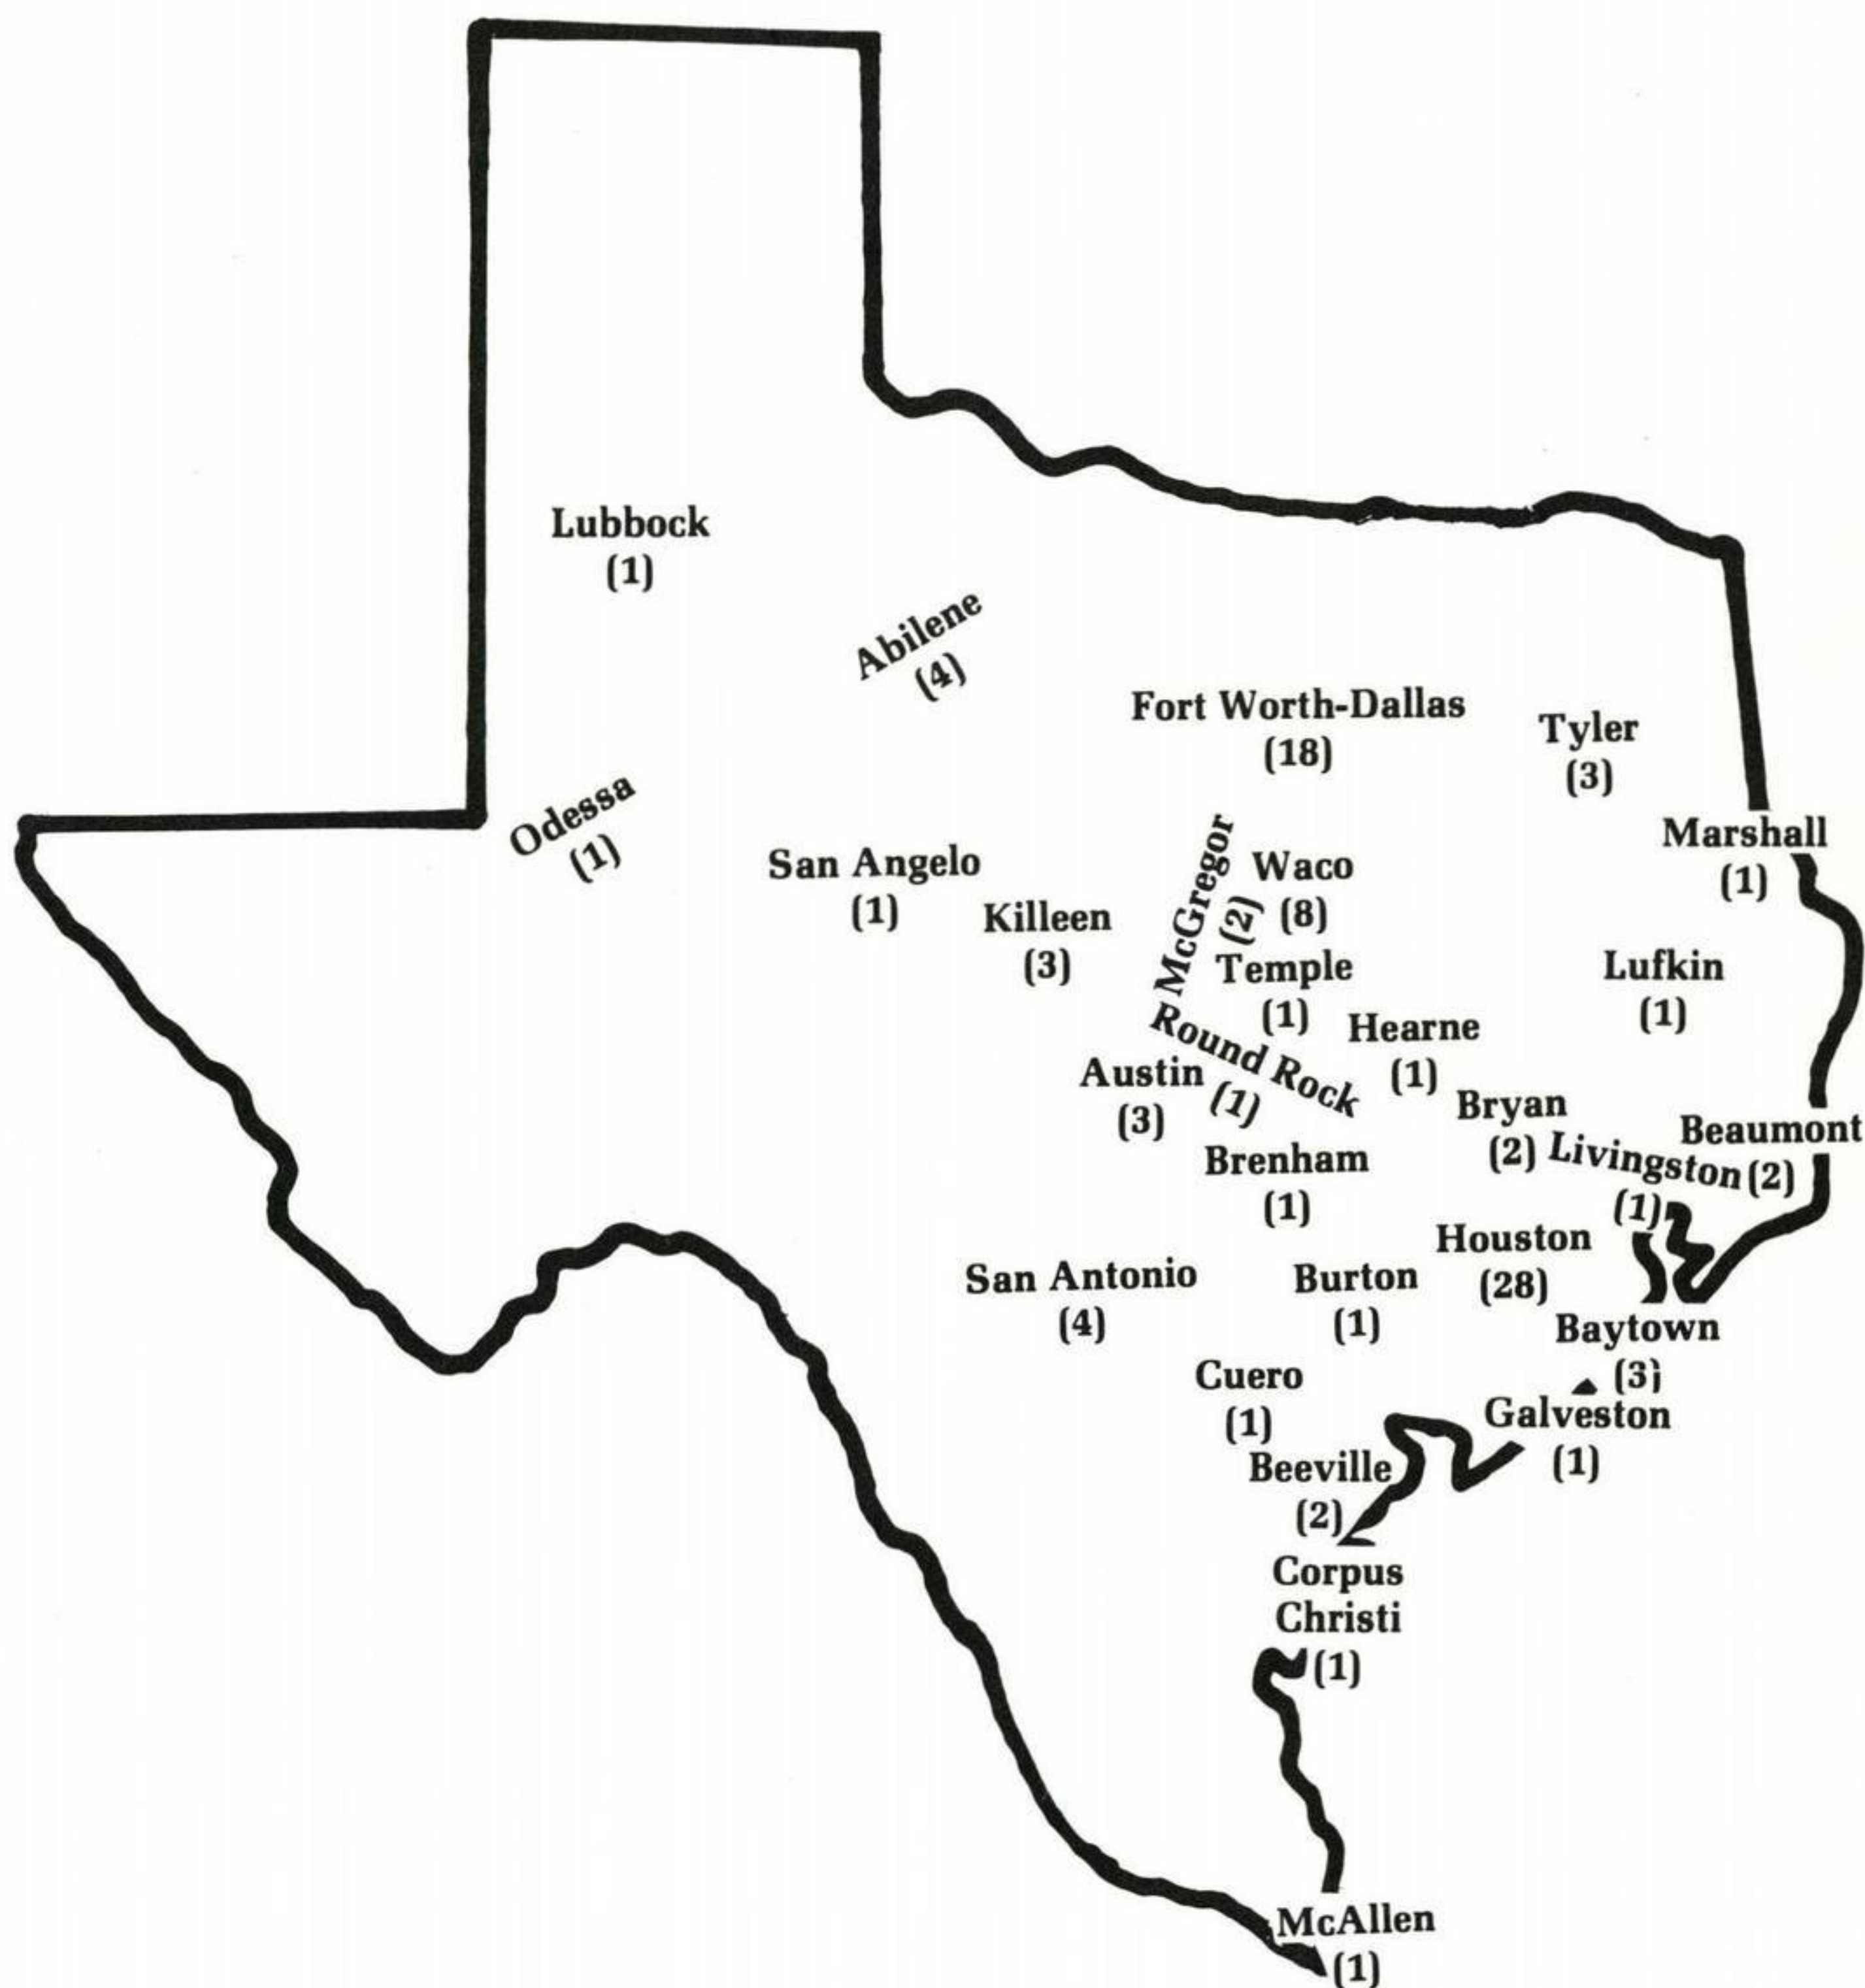

Much of the talent that won a Southwest Conference football title in 1981 will return in 1982, but new coach Bobby Collins will face the problems of patching up an offensive line that paved the way for SMU's potent running attack last season.

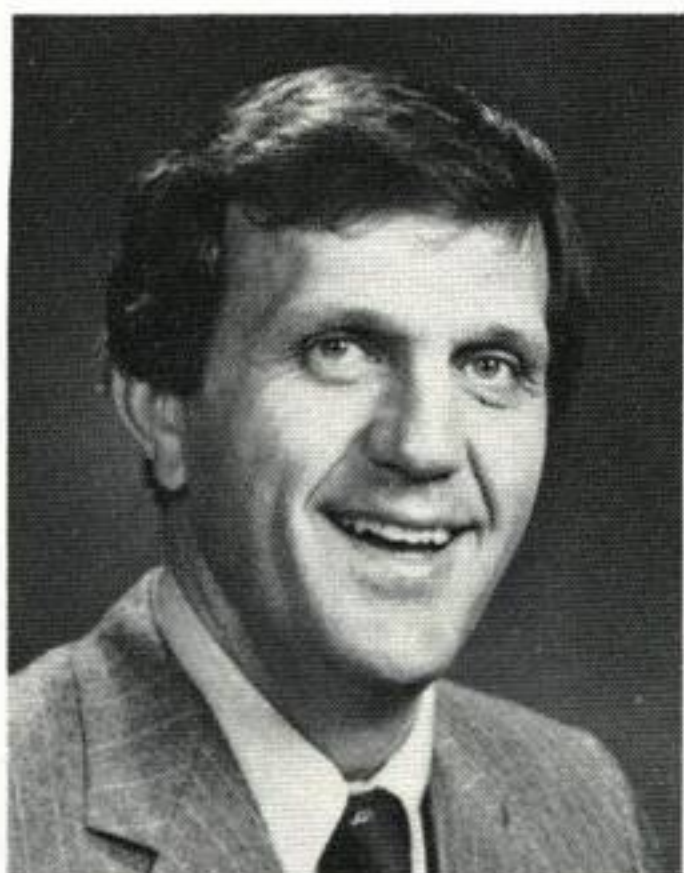

Three starters in the offensive line graduated, but the key ingredients in the offensive attack—tailbacks Eric Dickerson and Craig James, and quarterback Lance McIlhenny—will return. The three formed the All-Southwest Conference backfield last year for the 10-1 Mustangs.

Seven of the 11 offensive starters will return in 1982. Seven defensive starters will return, but among the missing will be three All-conference performers, including tackle Harvey Armstrong, who was a backbone of the Mustang defense for four years.

Other all-SWC selections besides Armstrong were free safety James Mobley, and line-backer Eric Ferguson. Also gone is punter Eric Kaifes and kicker Eddie Garcia.

CAPSULE OUTLOOK

The Texas A&M offense in 1982 will start with quarterback Gary Kubiak, a 6-1, 195-pounder who is an adept operator of the option running game and who has a live, accurate throwing arm. How much the offense improves depends on the supporting cast.

The running backs are talented with the likes of Earnest Jackson, Johnny Hector and Thomas Sanders. But there's a lack of depth and that is a problem that will need to be corrected this fall. The same holds true with the corps of wide receivers that includes Don Jones, Jimmie Williams, Jimmy Teal and Tommy Sugg. Some incoming freshmen will draw long looks at these positions.

The offensive line was a concern all spring. The various candidates along the front line made progress but not to the extent that is desired. Additional work will be required before it is decided who plays where.

The overall defense appears to be ready for a strong showing in the fall. Defensive tackles Ray Childress and Keith Guthrie along with linebacker Will Wright should be set to anchor the defense.

The kicking game should be fine in the extra-point and field goal area with David Hardy doing the honors. The punting game was erratic in the spring and will draw more attention in the fall work.

CAPSULE OUTLOOK

When the 1982 football season opens for TCU a number of questions may still be unanswered. How well will the Frogs' transition to the Veer offense be executed? Can a candidate step forward to fill the void left by Steve Stamp at quarterback. Will the Horned Frog defense be as good as early fall workouts promise?

Answers to those questions will probably come quickly in September as the Frogs begin season number six under head coach F. A. Dry. A stable full of running backs makes the switch to the veer an attractive alternative to the largely pass oriented TCU offenses of recent years. But that doesn't mean split end Stanley Washington will be forgotten.

He'll be the ringleader of a TCU receiving corps which promises to be as good as any. Besides Washington, Greg Arterberry, James Maness, Dwayne May and others should keep opposing secondaries busy.

They'll be the passing targets of Stamp's successor, with senior letterman Reuben Jones the most likely candidate for the first snap in Septembr. Jones will be fighting for a starting job along with senior Eddie Clark, and sophomores Anthony Gulley and Anthony Sciaraffa.

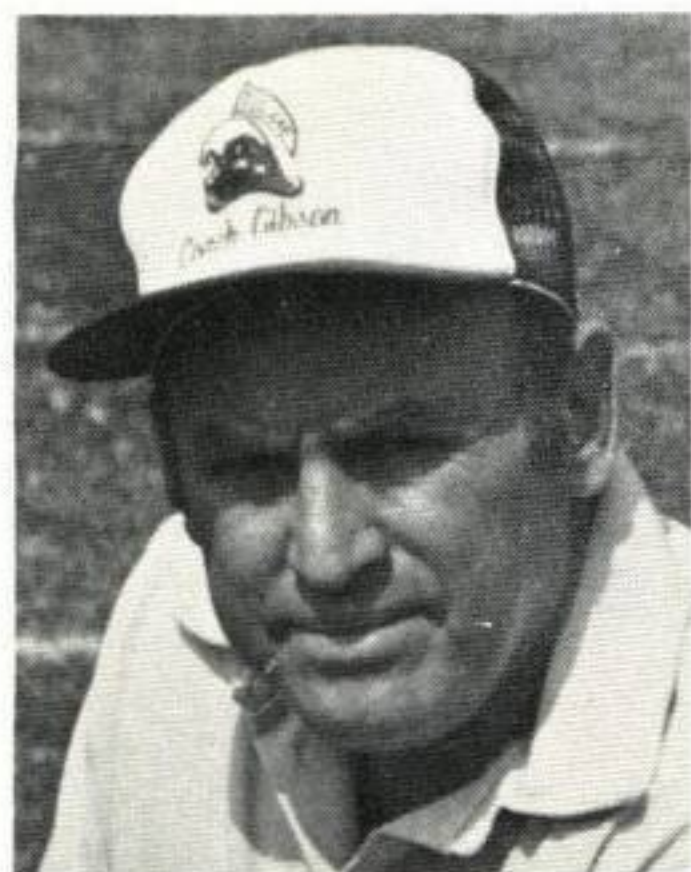

The TCU defense should be solid, with the nucleus being outstanding linebackers. Darrell Patterson and Joe Hines are the veterans in the middle, but sophomores Gary Spann and Ron Zell Brewer sparkled as freshmen.

Horned Frog special teams were good last year, largely on the strength of returnees James Gargus and John Thomas. Gargus owns the best single season punting average in school history and his 44.2 yard average was ninth best in the nation in 1981. Thomas averaged 14.4 yards per punt return last year, the best in the Southwest Conference and third best in the nation.

CAPSULE OUTLOOK

The Tulane Green Wave should carry plenty of momentum into the 1982 football season. They put together their third straight winning season in '81 and won six of their last seven games in the process.

Head coach Vince Gibson has seven starters returning on both offense and defense and all indications point to a banner season.

In all, 42 lettermen return, meaning that depth and experience are found at every position

except outside linebacker. No less than two lettermen return to battle for every position on the team.

The quarterback position appears to be well manned. There are two quarterbacks who started at different times during 1981. Add a top quality transfer and the situation is under control.

The leading rusher of a year ago, Marvin Lewis, and leading receiver, Nolan Franz, are gone, but the next four rushers are back as is Robert Griffin, an outstanding receiver who missed last year with a knee injury.

On defense the top two tacklers are back, Darryl Tipton and Ricky Goff, and only one starter was lost in the secondary. Eight defensive backs with letters return.

Vince Manalla, who had a 38.9 average punting, returns as the specialist with two letters.

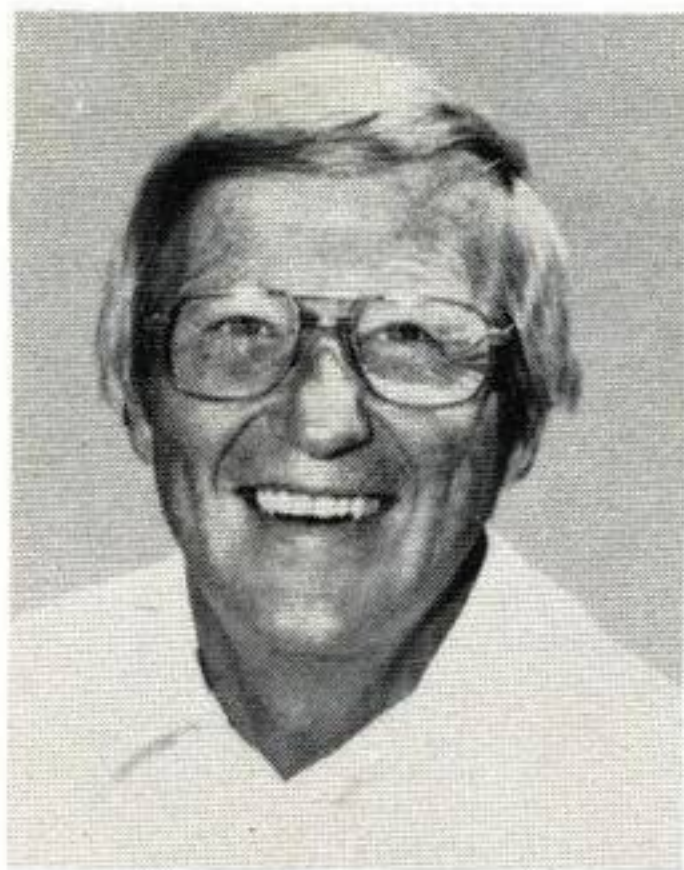

Everything is positive as the wave heads into the 1982 season. With a strong finish in 1981 and a wealth of experience returning, the New Orleans school is looking forward to a fine season.

CAPSULE OUTLOOK

Coach Lou Holtz thinks he has more good players than he's had in any of his five previous seasons at Arkansas but he also is concerned about the number of questions the Razorbacks still have unanswered as they prepare for the 1982 season.

For instance, there may not be many teams in college football with three offensive linemen as good as Steve Korte, Alfred Mohammed and Jay Bequette. Korte is the strongest player ever at Arkansas and was consensus all-conference last year. Mohammed and Bequette were second unit all-Southwest Conference a year ago.

However, with Bequette at center and Korte and Mohammed on the right side of the line, the left guard and tackle spots are being totally rebuilt. Plus, the tight end position presents the biggest question mark on the squad since Arkansas' top three tight ends from 1981 graduated.

The Hogs should be well stocked at quarterback with Tom Jones and Brad Taylor, but Holtz never has been as concerned about his corps of running backs as he is now. A freshman may even be called upon to ease the problem in the backfield. Jessie Clark is a solid running back but with Gary Anderson being moved to wide receiver, a move that might be reversed, no one else has taken charge in the backfield.

Defensively the Razorbacks should be solid up front with returning all-America Billy Ray Smith at an end and Richard Richardson at nose guard. Ron Faurot has blossomed at the other end and Earl Buckingham and Phillip Boren are both quality tackles.

However, the Porkers are perilously thin at the linebacker spots and in the secondary. Freshmen will be called upon for help in both areas.

The kicking game, always an Arkansas strong point, will be in the hands of freshman Ernie Villarreal. If he isn't able to handle the placement and kickoff duties, the Hogs may suffer.

Longest Rice winning streak: 3, 1940-42; 52-54; 69-71. First Baylor win: 1915, 26-0. First Rice win: 1914, 14-13. Shutouts by Baylor: 4. Shutouts by Rice: 9.

CAPSULE OUTLOOK

Unlike many seasons past, Rice looks to have a balanced attack offensively, throwing the ball about as much as it runs it. And it looks like coach Ray Alborn has all the tools to do just that.

Returning quarterback Michael Calhoun can run and throw the ball well. In 1981 he tied the Southwest Conference record for touchdown passes with 21 and he also was the squad's third leading rusher.

Three of the Owl's top five receivers will be back led by tight end Deron Miller and fleet split end Vince Courville, an outstanding track man. Running backs Tim Sanders and Kevin Trigg also return.

On defense watch for Clenzie Pierson and Joel Rios in the line plus a secondary that will still be young but experienced from combat duty in 1981.

Rice has shown steady improvement over the last few year and this season promises to be no exception.

Baylor Stadium History

This fall marks the 32nd anniversary of the Baylor Stadium. Completed in the summer of 1950, continued renovations and improvements over the years have produced a facility that now ranks among the top in the conference.

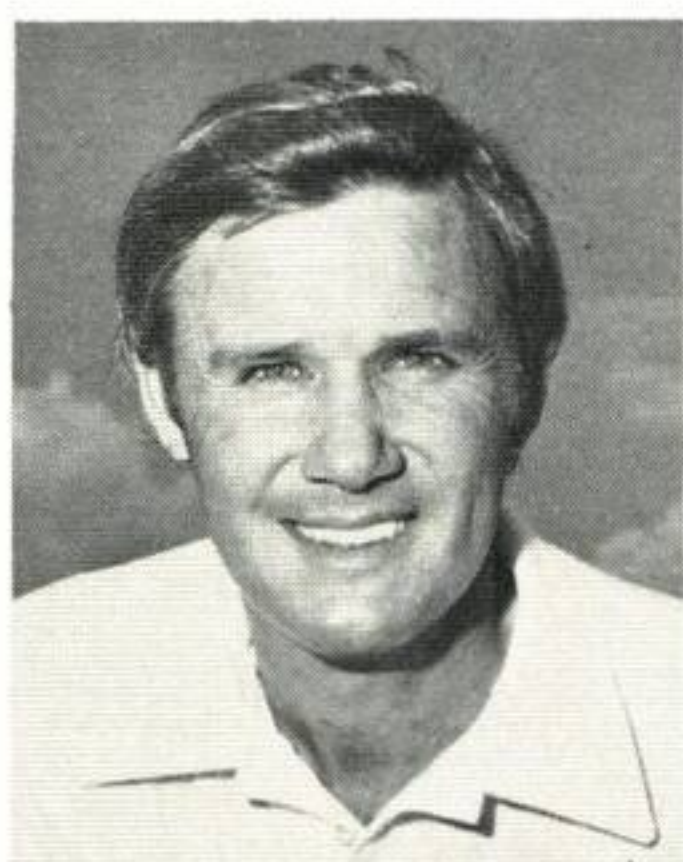

Prior to 1950 the Bears played all their home games at the Municipal Stadium on Dutton Street, a small stadium that could only seat 14,000 or 20,000 if end zone bleachers were set up. But a handful of Baylor supporters decided it was time Bear teams had a home of their own and formed the Baylor Stadium Corporation to achieve just that.

The Corporation launched a bond sales program and was able to raise the \$1,500,000 needed to build the new stadium. The last of the bonds were retired over a year ago. The Baylor Stadium Corporation, made up of 29 businessmen from across the state, continues to serve as an advisory board and helps to manage the stadium facilities.

Many improvements and additions have been made throughout the years. Up until 1972 the Bears played on a grass field. But with the acquisition of a new coach, the current head coach Grant Teaff, also came Baylor's first Astroturf surface. A brand new Astroturf field was laid down two years ago.

During the '70s the beautiful and comfortable Bear Club and Lettermen's Lounges were built on the west side of the stadium. An upstairs locker room, extra meeting rooms and a new weight room were also added. An eight year project to replace the stadium's wooden seats with aluminum ones has just been completed and the press box improved. Athletic office space is continuously being expanded and renovated.

The first game played in the 48,500-capacity stadium was a 34-7 victory over the University of Houston Cougars, then an independent team. The first conference game was a 27-20 win over Texas A&M. The biggest crowd ever in the stadium was at the '74 matchup with the Aggies when 51,200 fans stood in the aisles and sat near the end zones to watch A&M beat Baylor 20-0. Each of the sellouts in the stadium, all during the last five years, were for games with either A&M or the University of Texas.

CAPSULE OUTLOOK

The defending Cotton Bowl champion Texas Longhorns enter the 1982 football season with as many questions to be answered as any team in the Southwest Conference. Only seven of 22 starters return from last year's team, meaning coach Fred Akers will have to do quite a rebuilding job.

"We lost far too many people," Akers said. "We lost a complete defensive secondary, two of our three linebackers, our two defensive tackles, five of our six interior offensive linemen, two wide receivers and two running backs."

Of those positions, Akers said the offensive line and secondary give him the most worries. They are being completely rebuilt. He needs to find a new punter as well.

Anchoring the defense will be end Kiki DeAyala. He led the 'Horns in quarterback sacks last year and recorded 91 tackles, 23 of which were behind the line of scrimmage.

Quarterback Robert Brewer returns after leading Texas through the latter part of the '81 season and all the way to the Cotton Bowl. He showed the talent and leadership to be a fine signal caller.

Always optimistic, Akers is not ready to throw in the towel yet. "Our biggest plus will be our youthful enthusiasm created by the great success we had during the second half of the 1981 season and the bowl game."

Lamar	0	3	6	9—18
Baylor	0	7	7	3—17

Lamar kicker Mike Marlow booted a 42-yard field goal with three seconds left to boost the Cardinals to a shocking 18-17 win over Baylor in the 1981 season opener.

Minutes earlier it looked like the Bears had the winning field goal for themselves as freshman Marty Jimmerson connected on a 41-yarder with just over two minutes to play. But those points weren't enough in a game that Baylor seemed destined to drop from their first long drive.

Midway through the opening quarter, the Bears marched 89 yards to the Lamar 1, and were sitting pretty with a first and goal from that point. The nine-play drive had been highlighted by a Dennis Gentry 45-yard scamper. On the first attempt at the endzone, the Bears fumbled the ball away, squelching the march.

Lamar took advantage of that opportunity to set up a 42-yard field goal that gave it a 3-0 lead. They lost that lead minutes later when a fumbled punt set the Bears up at the Lamar 10 and the Bears went into the halftime locker room leading 7-3. Jay Jeffrey passed six yards to Gerald McNeil to cap the short drive.

Lamar opened the third quarter with an 81-yard scoring drive that included a 37-yard run by fullback Louis Landry and ended with a 5-yard scoring catch from Mike Hessen to Herbert Harris. The extra point snap was bobbled, making the score 9-7, Lamar.

Baylor then took advantage of a bad punt to move 44 yards on nine plays and take a 14-9 lead. Jeffrey did the honors on a one-yard sneak after Walter Abercrombie set up the score with several good runs.

Lamar then capitalized on a Bear fumble to score on their own 44-yard drive. A try at a two-point conversion failed, making the score 15-14, Lamar.

The game closed with Jimmerson's and Marlow's field goals.

Bowling Green	0	0	0	0—0
Baylor	14	0	21	3—38

Baylor took on Bowling Green hoping to prove that it was a better football team than it had shown the week before against Lamar, and did just that in taking a 38-0 win.

The Bears scored on their first possession and never really let up as Jay Jeffrey passed for two touchdowns and Dennis Gentry, Walter Abercrombie and Alfred Anderson ran for three others.

BG quarterback Greg Taylor threw an interception to Vann McElroy on the Eagles' third play from scrimmage, and Gentry capitalized three plays later on a 16-yard jaunt. Bowling Green then fumbled to Paul Mergenhagen at the 38 to set up Baylor's next score, a 24-yard pass from Jeffrey to a diving Bruce Davis. That made it 14-0 midway through the first quarter, and that's the way it stayed until the third.

The second time BU got the ball in that period it moved 39 steps in five plays. Alfred

Anderson capped it with an 11-yard trip down the sideline, and a Jeffrey pass to Gerald McNeil netted the same distance along the way.

The Eagles' next drive ended in a punt, and Baylor wasted little time making it 28-0. Walter Abercrombie scooted 47 yards downfield for the TD with 6:08 left in the third.

The Bears got another score in just over a minute after Vic Vines intercepted a Bowling Green pass on the second play of their next possession. McNeil caught the 12-yard pass in the back of the endzone, making it 35-0.

Marty Jimmerson added a 41-yard three-pointer with 4:56 left to round out the onslaught.

La. Tech	10	3	0	8—21
Baylor	0	7	7	14—28

Baylor grabbed its second win in three outings with a come-from-behind win over Louisiana Tech, showing a fine balance between running and passing in the process. Bruce Davis caught a long bomb for one TD, while Dennis Gentry scored once and Walter Abercrombie scored twice on the ground.

The Bulldogs jumped to an early 10-0 lead on the strength of a 37-yard Billy Cox field goal and an 80-yard drive capped by a Matt Dunigan to Ronnie Williams pass from the seven.

A short time later Baylor QB Jay Jeffrey found Davis streaking behind the Tech secondary and connected on a 67-yard bomb. Cox kicked true on a 24-yard three-pointer on the Bulldogs ensuing possession, and the scoreboard read 13-7, La. Tech, at the half.

Baylor regrouped in the locker room, and scored on its first possession of the second stanza. Gerald McNeil was the recipient of a 44-yard Jeffrey pass; Abercrombie capped the drive with a seven-yard jaunt, making the score Baylor 14, Louisiana Tech 13.

Baylor's next score, coming with 11:22 left in the game, came on a similar drive. Abercrombie scored from three yards out, but the big blow was a 36-yard pass completion, this time from Jeffrey to Davis.

The Bears wasted little time lighting up the scoreboard again. They moved 42 yards in eight plays for the score by Gentry. That gave Baylor a 28-13 lead with 6:08 in the game.

The Bulldogs fought gamely, coming back to score on an 80-yard march capped by a successful two-point conversion. They then held the Bears and moved in for what would have been the points that decided the game. But the drive stalled at the BU nine-yard line with time running out.

Texas Tech	3	6	6	0—15
Baylor	0	14	0	14—28

Baylor notched its first Southwest Conference win of the year and upped its season record to 3-1 with a hard-fought 28-15 win over Texas Tech. Just like the previous week's game against Louisiana Tech, the Bears had to come from behind to win.

Tech struck first with 6:33 remaining in the first quarter on a 27-yard field goal by John Greve. That kick capped a 58-yard, 13-play drive that died on the Baylor nine. Neither team could penetrate the other's endzone until the middle of the second quarter when the Bears got rolling.

After stopping a fake punt, Baylor started on their own 35. Alfred Anderson carried for 11 and Dennis Gentry followed that with 12. Then Jay Jeffrey hit Bruce Davis for a 47-yard TD bomb to make the score Baylor 7, Tech 3.

Tech scored another field goal to pull within one with 5:04 left in the half. The drive was highlighted by a 36-yard blast by fullback Freddie Wells. But Baylor immediately followed with an 80-yard, 11-play drive that featured a grab-bag of plays, including a Statue of Liberty play that gained Walter Abercrombie 21 yards and a screen pass that netted Gentry 11. Alfred Anderson did the final honors, waltzing into the endzone untouched after the Tech defense collapsed on Abercrombie's fake dive up the middle.

Down 14-6, Tech drove for yet another field goal to end the half. A 41-yard pass to Renie Baker set up Greve's 3-yarder as the clock wound down, and the scoreboard read Baylor 14, Texas Tech 9.

The Red Raiders opened the third quarter with a quick Anthony Hutchison TD, that came after Alfred Anderson's fumble on the Bear 28. The two-point conversion attempt failed, leaving Tech with a 15-14 margin.

The halted conversion set the stage for a complete shutdown of the Tech offense by the Baylor defense the rest of the night. While holding the Raiders in check, the Bears managed the winning points in the fourth quarter.

A pass to Anderson, good for 19, and another that went for 17 to Gentry set up Horace Ates' nine-yard TD run. The two-point conversion attempt failed, but the Bears had all the points they needed.

They got some insurance with 6:26 remaining in the game. Dennis Gentry outran the Tech defense around left end from 20 yards out for the score, capping a 75-yard drive. Abercrombie carried the other 55 yards on three carries to set up Gentry's scamper.

Baylor took the momentum of a three-game winning streak to the Astrodome for the fifth game of 1981, but that didn't seem to impress the Houston Cougars, who dominated the Bears in virtually every statistical category and came away with a solid 24-3 win.

The Bears found out early what kind of afternoon they were in for. Bruce Davis returned the opening kick 58 yards to the Houston 41 and five plays later Baylor was camped on the Cougar 4 with a first and goal. Three tries by Walter Abercrombie moved the ball to the one. Alfred Anderson then tried to go outside for the score, but was dropped for a three-yard loss.

Neither team established much of a drive until the Bears got moving again at the end of the first quarter. Taking the ball at their own 20, they moved down to Houston's 14 in 15 plays, but there they stalled. Marty Jimmerson's 28-yard field goal proved to be BU's only points of the day.

The Cougars wasted little time in turning the tide, with the installation of David Barrett at fullback their whole offense got in gear. They moved 80 yards in 15 plays for a TD by Barrett. Along the way, he converted three third down situations.

They got the ball back in short order and scored again on a five-yard pass from Lionell Wilson to Allen Polk.

On Houston's second possession of the second half they took advantage of a BU fumble to march 34 yards in four minutes and take a 21-3 lead. Jeff Schaffer added a 27-yard three-pointer in the fourth quarter.

Along the way, the UH defensive stymied the Bears, holding them to 83 yards rushing and 170 in the air. Baylor held the ball 22 minutes, compared to Houston's 38. One of the most telling stats was the Cougars' third down conversion rate of 14 of 20.

SMU	6	10	14	7—37
Baylor	3	3	0	14—20

In a game typical of what has become one of the Southwest Conference's hottest match-ups, the SMU Mustangs held off a furious fourth quarter rally to nail down a 37-20 win over Baylor in Dallas.

Over three quarters the eventual SWC champs built a 30-6 lead, but the Bears scrapped back to pull within ten before the Ponies prevailed, giving Baylor its second defeat in league play.

Baylor scored first, taking advantage of SMU quarterback Lance McIlhenny's fumble. Van McElroy recovered on the BU 48 and the offense, sparked by Jay Jeffrey's 28-yard run, moved the ball to the 25. From there Marty Jimmerson booted a 42-yard field goal.

Baylor's next drive was cut short by an interception, which the Mustangs turned into a 60-yard scoring drive. The score came on a McIlhenny pass to Norm Revis. Eddie Garcia missed the extra point, making the score 6-3, SMU.

Early in the second period SMU drove for another TD, starting the drive on the Bears' 42. Craig James did the honors from the one to give the Ponies a 13-3 lead. Baylor marched from its own 20 to the SMU 1 as the second quarter closed, but couldn't score. Marty Jimmerson's three-pointer made it 13-6.

SMU answered that with an Eddie Garcia field goal that came after a quick 51-yard march. The half-time score was Baylor 6, SMU 16.

Eric Dickerson, who finished the game with 158 yards, scored on SMU's first possession of the second half after a methodical 68-yard drive. Dickerson scored the second TD of the half, too, but it was a quicker strike. After recovering a fumble at the BU 15, he scored on the very next play, making the score 30-6.

Mike Brannan then entered the game and immediately quarterbacked the Bears to an 80-yard scoring drive, which was highlighted by a 53-yard bomb to Gerald McNeil. A two point conversion to McNeil pulled Baylor to within 16.

Midway through the fourth quarter Brannan's passing again led to a score. This time, as the Bears pulled within 10 points, he hit McNeil for a 25-yard scoring strike. The two-point conversion failed.

The Mustangs added some insurance as the game closed on a 66-yard run ended by Eric Dickerson's 21-yard TD run.

Texas A&M	0	10	7	0—17
Baylor	3	10	3	3—19

A most unlikely cast of characters—a freshman kicker who admitted he was kicking poorly and a benched quarterback who came back off the bench—led Baylor to a last minute 19-17 win over Texas A&M.

The two teams entered the game headed in opposite directions. Baylor had lost two in a row and the Aggies owned a winning streak of the same number. Besides having momentum, the visitors wanted to avenge a three-year drought against the Bears. But they lost their fourth straight to BU when Marty Jimmerson and Jay Jeffrey went to work.

Jimmerson said he didn't kick well in warm ups, and proved it by missing a 30-yard field goal set up by a fumbled opening kickoff. He redeemed himself later in the quarter, though, with a 39-yarder, capping another drive initiated by a fumble recovery.

The Bears made it 10-0 early in the second period when Alfred Anderson swept around left end, broke a tackle and danced into the endzone. The drive: 70 yards in 15 plays. The Aggies struck back quickly, however, when Gary Kubiak found Mike Whitwell streaking into the BU endzone. The pass play covered 41 yards and came on a 6-play, 69-yard drive.

The teams traded field goals to end the half, and both came after long drives that stalled at the goal line. Baylor's, a 10-yarder, capped a march of 78 yards in 14 plays, and the Aggies', a nine-yard effort, topped a 73-yard march highlighted by a Kubiak to Whitwell bomb of 50 yards. The Bears owned a 13-10 advantage at the half.

Texas A&M scored a TD on their second possession of the third quarter. The 83-yard drive was helped by yet another Kubiak to Whitwell bomb, this one 39 setps. Johnny Hector scored from five yards out, giving his team a 17-13 lead.

The rest of the way, the BU defense bent but did not break and the offense played well enough to get Jimmerson into range twice. Near the end of the third stanza, Jimmerson nailed a 28-yarder, pulling the Bears to within one.

As the game came to a close A&M was driving for what appeared to be the insurance points. Moving from their own 40 to the Baylor 24, the Farmers had just notched a first down. Then BU linebacker Kevin Hancock crashed the line and forced a fumble.

Jeffrey, who entered the game because Brannan had trouble moving the ball, then played like he wanted to keep the starting job for good. He guided the bears from their own 28 to the Aggie 13, keeping for several good gains and hitting receiver Gerald McNeil for a couple of others. From 21 yards out, Jimmerson booted his fourth three-pointer of the day. Baylor went ahead to stay with 22 seconds left.

Jimmerson received Southwest Conference Player of the Week honors for his heroics.

Almost overlooked was the performance by Walter Abercrombie. He gained 122 yards, but his longest run was just an 18-yarder. Most of his 28 carries were good for three or four yards against an Aggie defense set up to stop him. He finished his career with 609 yards in rushing against A&M.

Baylor entered the TCU game with a simple game plan: run the ball to keep it out of the hands of Frog passing whiz Steve Stamp, and do everything possible defensively to keep Stamp from hurting them with the bomb.

A simple plan that simply worked. Baylor controlled TCU, rolling up 521 yards in total offense, making 32 first downs, holding the ball 91 plays and 38 minutes, converting 13 of 18 third downs and driving 80, 73, 78, 37, 69 and 80 yards for scores.

And defensively the Bears held the nation's No. 3 ranked passer in check well enough to give him only 61 snaps in 22 minutes.

Jay Jeffrey led the Bears to their first scoring drive, an 80-yard effort in 11 plays. Alfred Anderson scooted around right end for the final three yards and a score. Jeffrey hit Gerald McNeil for passes of 19 and 16 yards along the way.

Baylor didn't waste any time scoring again. On the next possession, they moved 73 yards in 16 plays with Anderson again doing the scoring run. TCU followed that with a 15-play, 80-yard drive for a score. After Stamp completed six passes to move to the BU 12 the drive apparently stalled, setting up a field goal situation. That wasn't the case, however, as TCU used a nifty fake three-pointer to score six. Stamp threw to kicker Greg Porter. The extra point was blocked by Denny Randolph, making it 14-6 in Baylor's favor.

The Bears added a field goal, a nine-yarder, by Marty Jimmerson at the close of the half and took a 17-6 lead into the locker room. He hit another field goal midway through the third quarter, this time of 25 yards, making it 20-6.

Stamp hit Mike Johnson for a quick 21-yard score after a BU fumble late in the third quarter. The Bears quickly dashed any notions TCU had of a comeback on the next drive as they went 69 yards in 13 plays, taking a 27-23 lead on Walter Abercrombie's five-yard burst over right tackle.

Baylor put the game out of reach on its next possession, going 80 yards in 10 plays. Abercrombie scored again, this time on a 12-yard scamper. TCU added a TD as the game drew to a close.

Bruce Lahay's 27-yard field goal with 12 seconds left gave Arkansas a 41-39 victory over Baylor, putting an end to a game that had a little bit of everything in it, including excitement. Make that a whole lot of excitement. Veteran pressbox observers called it one of the outstanding games in Southwest Conference history, and few in the series record crowd could disagree.

The game was tied or had the lead change eight times, the last being when Lahay kicked the final points. To start the game the two teams scored or had fumbles which led directly to scores in the first seven possessions of the game. Before anybody had to punt, the score already read: Baylor 17, Arkansas 10.

BU quarterback Jay Jeffrey fumbled the first snap from scrimmage, giving Arkansas the ball on the Bear 20. In three plays the Hogs scored with Jessie Clark bruising through. The Bears started from their own ten after the ensuing kickoff and moved the ball downfield to the Arkansas 7. The drive stalled, however, and Marty Jimmerson had to settle for a 25-yard field goal.

Immediately following Arkansas fumbled a kickoff, giving Baylor the ball on the Hog 21. It took four plays for Alfred Anderson to hit pay-dirt from the five. With the score 10-7, Baylor, Arkansas quickly retaliated with a five-play 44-yard drive that ended in a game typing field goal of 49 yards.

Of course, the Bears came back to score on their next possession. An 82-yard march, sparked by a 25-yard Jeffrey run and several other good ones by Dennis Gentry, ended in a five-yard pass to Gerald McNeil that made the score 17-10 in Baylor's favor. And there were three quarters left to play.

Things slowed down somewhat in the second quarter as each team scored only once. Arkansas tied the game at 17 on a 59-yard, 11 play drive and the Bears went 78 in 11 to regain a seven point margin at the half.

Baylor went up by ten early in the third quarter when it moved 50 yards in nine plays to the AU 11. Jimmerson's 29-yarder was good. On the next series the Razorbacks went 80 yards in nine plays for a TD, pulling within three again.

The Pigs scored another quick 14 points when BU fumbled away its next two possessions in Hog territory. The two gifts made it 38-27, Arkansas, early in the fourth quarter.

The Bruins then made what appeared to be a comeback surge strong enough to win the game. Jeffrey and McNeil hooked up for three completions in a four-play 56-yard drive and ended in a 27-yard scoring strike.

Quickly Vann McElroy intercepted a Hog pass and appeared to have put the Bears in position to go for the winning score with six minutes left. But the Bears fumbled away that opportunity.

Again, the defense rose with Vic Vines intercepting a pass. This time the Bears did move in for the go-ahead score, but it didn't come until they faced a fourth and goal from the nine. Dennis Gentry took a swing pass and avoided two tacklers to score. A try at two points failed, but Baylor had a one-point lead, 39-38, and less than two minutes remained on the clock.

Then the Hogs worked a miracle of their own, moving the ball 66 yards in 10 plays, getting Lahay into range. The ensuing kickoff was the sixteenth of the game, but there wasn't time left for the Bears to make a drive.

Rice	3	7	0	7—17
Baylor	0	7	0	7—14

Still hurting from the draining loss to Arkansas a week before, Baylor played without luster in a 17-14 upset loss to Rice in the tenth game of the season. The Bears had 65 more yards in total offense than Rice, but couldn't muster more points when the chips were down.

Rice opened the game by taking the kickoff and marching 73 yards to the Bear seven. The 15-play drive stalled there and Joel Baxter was called upon to boot a 15-yard field goal.

Neither team could manage much offense until the Bears' Geff Gandy recovered a Rice fumble at the 23, setting up a short drive. It took three plays before Alfred Anderson could go in behind the block of Walter Abercrombie from four yards out.

Rice took the kickoff and moved 63 yards in nine plays for a TD as the half drew to a close. Owl QB Michael Calhoun threw 35 yards to Vince Courville for the score. That made it Rice 10, Baylor 7 at the half.

The third quarter passed scorelessly, but things did heat up a bit in the fourth with one touchdown by each team. Baylor's came on a 75-yard, eight-play drive. Dennis Gentry scored on a 33-yard draw play.

Rice, after recovering a BU fumble, had to move 42 yards for their next six. The six-play drive was capped by a 15-yard pass from Calhoun to Tim Sanders. The extra point made the final score 17-14.

The Bears had a last drive, but it stalled on the Rice 11. A field goal attempt that would have tied the game failed from 29-yards out.

Texas	20	0	0	14—34

Baylor closed the 1981 football season by playing the hottest team in the Southwest Conference at the time. If Texas beat Baylor, the probation hobbled SMU defeated Arkansas, the Longhorns would represent the league in the Cotton Bowl.

SMU did better Arkansas, and with that score announced before the end of the game in Austin, the Longhorns had more than enough incentive. The final score: Texas 34, Baylor 12.

To the Bears' credit, they did make a gallant second quarter comeback after UT jumped out to an early 20-0 lead. They scored 12 in that period to pull within eight, and played the Horns even in the third quarter, but in the fourth, with word of the victory over Arkansas coming over the P.A. system, Texas poured on another 14 to put the game away.

Texas scored on its first possession. The 54-yard, eight play march was set up by a interception. Baylor's next drive went all the way to the Texas 32, but stalled when a fourth down try came up short. Texas scored on the very next play when Jam Jones dashed 67-yards down the sideline without being stopped.

Texas got the ball back again and moved 41 yards in seven plays for another score, this one by John Walker. The ensuing extra point was blocked by Charles Benson.

In the second quarter the Bears got some points on the board, starting with a Marty Jimmerson field goal of 30 yards. The three-pointer came after a 10-play, 49-yard drive. On Texas' next possession BU safety Vann McElroy caused a fumble, setting the Bears up on the Longhorn 44. It took only two plays to score, with Gerald McNeil catching a 30-yard TD pass. The extra point failed.

The bear defense held again and the offense put more points on the board as the half wound down. With only a minute left, Baylor moved 70-yards in eight plays for a 23-yarder by Jimmerson.

The third quarter was scoreless, but UT added two TD's in the fourth. Both came off of 74-yard drives.

White	1	3	2	3— 9
Green	6	0	14	15—35

The Green team, keyed by two fumble recoveries and an interception returned for a touchdown, downed the White team 35-9 in the annual spring game.

The game was set up to allow Baylor coaches to evaluate personnel in controlled situations. The green team played defense, the White offense. The offense scored in the usual ways with the addition of getting one point for a first down. The defense scored six points for a touchdown or turnover, one point for holding the offense without a first down, two points for holding the offense without a first down inside the 20 and one point for a missed field goal.

The first quarter ended with the green leading 3-1. Mike Brannan completed one of two passes for 11 yards, while Allen Rice scrambled three times for nine yards. They split time at quarterback.

In the second quarter Alfred Anderson was given the ball four times and netted 37 yards. The half ended with the Greens leading 6-4.

The defense blew the game open in the third quarter when Clark Hood intercepted a Brannan pass and returned it 23 yards for a TD. The 12-point swing was more than the Whites could overcome.

Doug Platt and John Breit added fumble recoveries for 12 more Green points in the fourth quarter.

Although edged in the final statistics, coach Bob Woodruff's Baylor Bears won the first bowl appearance in the school's history by defeating Wake Forest 20-7 in the second annual Dixie Bowl.

Wake Forest, although gaining 277 total yards compared to Baylor's 212, fell behind 20-0 at halftime to the upstart Bears and could never seriously threaten the 6-3-2 victors.

Bear defender George Sims recorded the game's first turnover when he intercepted a Deacon pass in their first possession and returned it 52 yards to the Wake Forest eight yardline.

Sammie Pierce, who averaged 13.1 yards a carry against the 6-3 Deacons, scored the first touchdown from a yard out and Jerry Mangrum scored from the same distance in the second quarter to give Baylor a 13-0 lead.

The Bears increased the margin to 20-0 off a 68-yard drive, highlighted by a Pierce 40-yard romp. Quarterback Ray Painter, who had attempted only seven passes during the regular season, passed the final 12 yards to Harold Riley for the score. Hank Dickerson added his second PAT for the day.

All-America quarterback Adrian Burk completed five passes for 69 yards, with two of the completions going to Riley. James Parker also hauled in a Burk aerial for 23 Baylor yards.

James Parker led the Baylor rushing attack with 43 yards on eight carries.

Pepper Rodgers kicked a 13-yard field goal with three minutes remaining to give Georgia Tech a 17-14 come-from-behind victory over Baylor in Miami's Orange Bowl contest.

Tech scored 10 fourth quarter points on Rodgers' effort and a Buck Martin touchdown reception, while holding Baylor scoreless to nip the 8-1-1 Bears.

Bear fullback Dick Parma scored the game's first touchdown from a yard out and C. O. Brocato added the PAT as Baylor led 7-0 in the first quarter.

After Tech knotted the score at 7, Baylor drove 63 yards, capped by Jerry Coody's four-yard scoring blast, to give the Bears a 14-7 halftime margin.

Coody was the team's leading ground gainer during the regular season, picking up 570 yards on 125 carries.

But, coach Bobby Dodd's Tech squad used Rodgers and Martin's last quarter heroics to take their comeback win.

The Orange Bowl loss was Baylor's second of the 1951 season, the first coming at the hands of TCU 20-7.

Larry Isbell, who threw for 1430 yards during the regular season, attempted 18 passes against Georgia Tech, completing eight for 93 yards. Parma was the contest's top ground gainer with 107 yards on 19 attempts.

All-America end Stanley Williams, who caught 37 regular season passes for six touchdowns, and Harold Riley each caught three Isbell passes. And defensive back Robert Reid, who established a school interception record with 11 regular season swipes, intercepted one pass from Tech quarterback Darrell Crawford.

Thirteenth-ranked Auburn scored five of the first six times they touched the football on their way to a 33-13 thrashing of Baylor in the 1955 Gator Bowl.

The Tigers, who established three Gator Bowl records and tied another in the rout, outgained Baylor 476 to 239 in total yardage.

Bear all-conference halfback Del Shofner fumbled the opening kickoff and the Tigers recovered on the Bear 27 yardline. Five plays later, Auburn scored the game's first touchdown and led 7-0.

Baylor tied the game by driving 63 yards in nine plays, the majority coming off a Billy Hooper pass to Charles Smith. Fullback Reuben Saage scored from a yard out and Smith kicked the conversion to tie the game at 7.

But before Baylor scored again, Auburn led 27-7.

Joe Childress, the game's leading yard gainer with 134 steps, scored his second touchdown of the game and Bob James added a 43-yard scoring jaunt to give Auburn a 21-7 halftime edge.

Tiger quarterback Bobby Freeman gave his squad a 27-7 lead on a six yard romp.

All-America halfback L. G. (Long Gone) Dupre butted his way for a 38-yard scoring play to cut the lead to 27-13 midway through the third quarter. Dupre, the Bears' third leading rusher during the regular season behind Shofner and Allen Jones, finished his team's leading rusher against the Tigers with an amazing 69 yards.

Freeman completed the scoring with a four-yard fourth quarter pass to end Jimmy Long.

Hooper, an all-conference honoree, finished with nine completions in 15 attempts for 112 yards, with four of the aerials going to Smith.

Dupre returned three Auburn kickoffs for 85 yards as the Bears finished 7-4 for the season. Shug Jordon was the winning Auburn coach while George Sauer saw his Bears go down to defeat.

Reuben Saage recovered Tennessee All-America halfback Johnny Majors' fumble of a Del Shofner punt and Baylor then drove 15 yards for the winning touchdown in the Bears' 13-7 upset win over the undefeated Volunteers in the 23rd annual Sugar Bowl.

Bear quarterback Buddy Humphrey scored the winning touchdown on a one-yard sneak and Don Berry added the conversion for the 9-2 Bears of coach Sam Boyd.

Baylor scored first, despite being a one-touchdown underdog, when quarterback Bobby Jones threw a 12-yard scoring strike to Jerry Marcontel in the second quarter.

But Majors, who averaged 5.1 yards per rush, completed better than 60 percent of his passes and punted for a 42.3 yard average during the regular season, gave the Volunteers the lead in the third quarter by reaching paydirt from a yard out. Sammy Burklow added the PAT and Tennessee led 7-6.

After the Volunteers held Baylor on their possession of the fourth quarter, Shofner punted to the Tennessee eight. Majors returned the kick seven yards before coughing up the pigskin and Saage was there to make the big play for Baylor.

The contest matched the Southeastern Conference champion Vols against Baylor, who suffered a 7-6 loss to Texas Christian and a 19-13 setback to Texas A&M during the regular season.

Tennessee and coach Bowden Wyatt swept through a 10-game schedule in which they conquered five teams that participated in bowl games New Year's 1956. Only seven points separated Baylor from an unbeaten record.

Baylor halfback Del Shofner, running behind an offensive line headed by all-America Bill Glass, finished with 88 yards rushing in 14 carries and also intercepted one Volunteer aerial. For his play, Shofner, who scored ten touchdowns during the regular season, was voted the game's outstanding player.

Bobby Peters contributed 60 yards rushing for Baylor while Saage added 39 steps. Bear quarterbacks Humphrey, Bobby Jones and Doyle Traylor could only complete three passes, all going to end Morcontell.

Peters added 54 yards in kickoff runbacks.

Coach John Bridgers' pro-modeled Spread-T Baylor offense could muster only two touchdowns against a swarming Florida defense as the Gators took a 13-12 decision in the 16th annual Gator Bowl.

On the Bears' first possession of the second quarter, a pitchout from quarterback Ronnie Stanley to all-American halfback Ronnie Bull was mishandled and Florida's Chet Collins recovered on the Baylor 20 yardline.

It took the Gators five plays to score and fullback Don Goodman plunged the final three for the tally. Bill Cash added the conversion and Florida led 7-0 with 8:42 remaining in the half.

Coach Ray Graves' squad extended their lead to 13-0 later in the same stanza when Gator defender Ronnie Slack recovered a Stanley fumble in the endzone for the quick six points.

Florida traveled 20 yards for their two scores while Baylor went 139 steps for the same results.

Down 13-0 in the fourth quarter, the Bears, who finished 8-3, put forth a furious surge that resulted in 12 points.

On the first play of the quarter, quarterback Bobby Ply threw 11 yards to Ronnie Goodwin for the score, ending a 71-yard, nine play drive.

With 1:01 remaining, Ply, who threw for four touchdowns during the regular season, and Stanley put the Bears in position to score with three completed aerals. Bull, Baylor's leading rusher and scorer, went the final three steps for the score. However, the two point try from Ply to Goodwin was juggled and dropped and the Gators had their hard-earned victory.

Ply established a new Gator Bowl record with 12 completions and teamed with Goodwin (seven receptions) for five.

Eight Utah State turnovers and outstanding performances by halfback Ronnie Bull and sophomore quarterback Don Trull led Baylor to a 24-9 victory over Utah State in the inaugural Gotham Bowl at the Polo Grounds.

Baylor recovered their first of five Utah fumbles and went 45 yards to score the first time it had the ball. Bull, who had 86 total yards and was voted the game's Most Valuable Player, scooted 15 yards for the initial Bear touchdown.

In the second quarter, Carl Choate kicked a 22-yard field goal for Baylor and Trull added the third score on a quarterback sneak covering two yards. Trull, who passed for 116 yards against the nation's number two defensive unit, connected with Ted Plumb for a 38-yard fourth quarter touchdown pass to end Baylor's scoring.

Choate was perfect in three extra point tries and Bull and Plumb combined for seven pass receptions.

Utah State, who entered the game with a 9-0-1 mark and a share of the Skyline Conference championship, was favored to beat the coach John Bridgers' led Bears, who finished with a 5-5 regular season slate.

Coached by John Ralston, the Aggies featured three standouts who later starred in professional football; all-American tackle Merlin Olsen, quarterback Bill Munson and placekicker Jim Turner.

Quarterback Tom Shuman established Cotton Bowl records in passing and total offense and flanker Jimmy Cefalo did likewise in receiving yards in Penn State's 41-20 decision over Baylor in the 1975 classic.

For the fifth time in their 10-victory 1974 season, the Lions came from behind to win. The victory spoiled Baylor's first appearance in the Dallas event, coming off the heels of the school's first Southwest Conference championship since 1924.

Baylor captured a 7-0 first quarter lead with Steve Beaird's four yard blast. Bubba Hicks added the PAT conversion with 44 seconds remaining in the opening quarter.

A Matt Bahr 25-yard field goal closed the Bears' lead to 7-3 at intermission.

After the Nittany Lions took their first lead off Tom Donchez one-yard blast, all-conference quarterback Neal Jeffrey put Baylor ahead 14-10 with a 35-yard scoring toss to end Ricky Thompson.

Three touchdowns, two by Cefalo and one by Shuman, and another Bahr field goal gave Penn State a 34-14 lead with 3:32 remaining. But the Bears, who finished 8-4 for the year, refused to fold and with 19 seconds left reserve quarterback Mark Jackson teamed with Thompson for a 11-yard touchdown.

On the ensuing kickoff, Hicks tried an onside kick only to watch Lion Joe Jackson scoop up the loose pigskin and race 50 yards for another Penn State score with two seconds left.

Baylor junior safety Ken Quesenberry, who had 12 tackles and one interception, was named the game's most Outstanding Defensive Player. Defensive back Tom Turnipseede added 11 tackles for the Bears and also recovered a Donchez fumble.

Senior Phillip Kent, one of eight Baylor all-conference selections playing in the game, returned three Nittany Lion kickoffs for 58 yards.

Quarterbacks Mike Brannan and Mickey Elam passed for 86 yards each to spark the Baylor Bears to a 24-18 upset win over the 17th-ranked Clemson Tigers in Atlanta's Fulton County Stadium.

The win vaulted coach Grant Teaff's Bears into 14th place on the Associated Press' final college football poll. The 8-4 Bruins were beaten during the regular season by Alabama, Houston, Arkansas and Texas, all members of the top ten.

With the Tigers leading 7-0, Brannan teamed with Bo Taylor on a three-yard touchdown toss to knot the score following Robert Bledsoe's extra point. The tally came eight plays after Baylor recorded its first of two blocked punts against Clemson kicker David Sims.

The Bears forged ahead 14-7 with 12:20 left in the second quarter when Brannan, voted the game's Most Valuable Offensive Player, connected with Robert Holt for a 24-yard scoring strike.

Baylor's final ten points resulted from a Bledsoe 29-yard field goal and a scoring pass from Elam to Raymond Cockrell that covered seven yards.

Senior defensive end Andrew Melontree, voted the game's Most Valuable Defensive Player, and linebackers Doak Field and all-America Mike Singletary led a Baylor defense that held a 8-3 Clemson offensive unit to 67 yards rushing.

Coach Paul "Bear" Bryant's Alabama Crimson Tide completely dominated Baylor in the 45th annual Cotton Bowl on their way to a 30-2 rout.

The Bears, ranked as high as sixth place in the nation during the regular season, closed an outstanding 10-2 and Southwest Conference championship campaign by dropping their second Cotton Bowl game in as many tries.

Alabama, who closed a 10-2 year with the win, took advantage of four Baylor fumbles and also intercepted three Bear passes to roll-up a 339-158 total yardage advantage.

Three Peter Kim field goals and scoring runs by Major Ogilvie, Don Jacobs and Mark Nix put the Crimson Tide on the scoreboard while a Tommy Tabor first quarter safety were the only points the Bears could muster.

The league-leading Baylor offense netted 54 yards rushing, 18 by quarterback Jay Jeffrey. SWC champion runner Walter Abercrombie was held to nine yards on eight attempts by the Alabama defense.

Fullback Dennis Gentry was the leading pass receiver in the game, grabbing five receptions while Robert Holt added three others. Also, Gerald McNeil accumulated 100 yards in kickoff and punt returns for the Bears.

Tabor and all-conference linebacker Doak Field led the Baylor defensive charge with 15 stops each. All-America middle linebacker Mike Singletary, all-league safety Vann McElroy and linebacker Lester Ward each had 12 tackles for Baylor.

Baylor, following the New Year's Day defeat, dropped to 14th place in the final football poll.
